Please provide any comments and/or examples here

I am only really aware of the organisation I am a volunteer with - Interest link. However, I do think Interest link enables people with learning disabilities to feel more a part of the community.

Good Practice - Individuals

Q.5 What have you done, as an individual, to make positive changes within your local area?

Please provide any comments and/or examples here

I am a volunteer with Interest link. I take a man with learning difficulties, out to sporting events and concerts.

Future Priorities

**Q.10 What future priorities do we need to focus on?
(Please list these in order of importance with the most important first)**

Please provide any comments and/or examples here

In general, to provide as much interaction between people with disabilities and the general public as possible. With an aim of making disabled people feel more valued, and providing able bodied people with a greater understanding of others' needs.

Thank you for taking the time to respond to the questionnaire. Your continued input and support is vital in ensuring that we continue to close the inequality gap that people with a learning disability face daily.

All completed questionnaires should be returned to Sarah Grant either by e-mail or at the address below. The closing date for responses is 30th September 2012.
