### Question 10

What do you think are the things we need to do in the future to make the lives of people with learning disabilities better?

Please write the most important things first.

Please write your answers here.

Support to live independently  
with care to our requirements  
and not budget led.

Access to local services  
and transport

Doctors surgeries with  
better access ~~and~~ as  
1 surgery in the area  
had very narrow  
corridors + doorways

Taxi companies to  
be monitored better.  
to ensure the use the  
taxis for what they  
were made for

### Question 3

What do you think still needs to be done by the Government to make the lives of people with learning disabilities and family carers better?

Please write your answer here.

Not cutting benefits &  
budgets for people who  
have complex needs.

Health care - ie when  
in hospital nurses don't  
have a great understanding  
of people with disabilities.

**Question 4 - (this question is for organisations only)**

- What have you done in your organisation to improve services for people with learning disabilities in your local area?
- What have you done in your organisation to improve access to services for people with learning disabilities in your local area?

Please write your answer here.
