

Question 2

What do you think has worked well over the last 10 years for people with learning disabilities and family carers?

This could be changes in your local community or all over Scotland.

Please write your answer here.

Much more opportunity to get involved with the general public, more opportunities to gain in the work force, in a supported role.

More opportunities to involve voluntarily in the community e.g. operate Radio (Dens) etc.

Use of public transport, without incurring a lot of expense. This has opened a great deal of doors for the less well off.

Question 3

What do you think still needs to be done by the Government to make the lives of people with learning disabilities and family carers better?

Please write your answer here.

make more jobs available for someone
with learning difficulties.
More money available to give support
in a working environment for someone
with learning difficulties

Question 10

What do you think are the things we need to do in the future to make the lives of people with learning disabilities better?

Please write the most important things first.

Please write your answers here.

Make more money available for Carers
so they had more time with Clients.
Hours are being cut where it is
difficult to maintain the service
to a reasonable standard. Carers seem
stressed due to the shortage of time
for their Clients, they seem to be
having to continually time watch.
