I volunteer as a member of interest link borders, apart from the fact that I love it, I also see all the joy it brings, I see how quote 'normal people' react to people that are different, in what ever capacity it brings, and if I can bring a change to these peoples lives, I will continue to do it, INTEREST LINK DOES A FANTASTIC JOB

Good Practice - Individuals

Q.5 What have you done, as an individual, to make positive changes within your local area?

Please provide any comments and/or examples here

I also work with people that have learning disabilities, and I can see in the four years that I have been there, the difference it makes, I do not agree with the cuts that are taking place, I personally think that the wrong things are being cut and that disabled people deserve all the help, fun, and fulfilling lives that we can help them achieve

Future Priorities

**Q.10 What future priorities do we need to focus on?
(Please list these in order of importance with the most important first)**

Please provide any comments and/or examples here

- 1/ To make sure that time helping is not cut, due to cuts
- 2/ To improve housing
- 3/ To help people understand the needs of the learning disabled
- 4/ To give them fun things in their lives.

Thank you for taking the time to respond to the questionnaire. Your continued input and support is vital in ensuring that we continue to close the inequality gap that people with a learning disability face daily.
