

CONSULTATION QUESTIONS

**Q. 2** Can you give examples, either locally or nationally, of what you think has worked well over the last 10 years of *The same as you*?

Please provide any comments and/or examples here

I cannot give an informed answer on this with the information I have to hand.

As I know is that befriending makes a huge difference to everyone. Service users learn from befrienders + Befrienders learn from service users. Giving each person a fuller knowledge on life.

Good Practice - Individuals

**Q.5** What have you done, as an individual, to make positive changes within your local area?

Please provide any comments and/or examples here

The service user I have befriended has come a long way since our first meeting. He is now happy to go out + do it.

I would also love to work in an organisation which provides such additional support for service users of all ages.

## Future Priorities

**Q.10 What future priorities do we need to focus on?  
(Please list these in order of importance with the most important first)**

Please provide any comments and/or examples here

We need more befrienders + more financial  
help + support from Government. After  
all Service users are human beings who  
deserve a chance of a more fully life.

**Thank you for taking the time to respond to the questionnaire. Your continued input and support is vital in ensuring that we continue to close the inequality gap that people with a learning disability face daily.**

**All completed questionnaires should be returned to Sarah Grant either by e-mail or at the address below. The closing date for responses is 30<sup>th</sup> September 2012.**
