Future Priorities

**Q.10 What future priorities do we need to focus on?
(Please list these in order of importance with the most important first)**

Please provide any comments and/or examples here

People should have a chance to meet more often together from different parts of areas in Borders. Like coffee mornings for people with Learning Disabilities.
There should be also more courses for people about sexual health ~~as well~~ for people with learning disabilities as well staff.

Thank you for taking the time to respond to the questionnaire. Your continued input and support is vital in ensuring that we continue to close the inequality gap that people with a learning disability face daily.

All completed questionnaires should be returned to Sarah Grant either by e-mail or at the address below. The closing date for responses is 30th September 2012.
