Minimal – normal media release.

49. Do you have any other comments on or suggestions relevant to the proposals in regard to business and regulatory impacts?

Relevant businesses will seek profit elsewhere. Once it becomes socially unacceptable, there will be minimal regulatory impact.

As a party to the World Health Organization's Framework Convention on Tobacco Control (FCTC), Scotland has an obligation to protect the development of public health policy from the vested interests of the tobacco industry. To meet this obligation, we ask all respondents to disclose whether they have any direct or indirect links to, or receive funding from, the tobacco industry. We will still carefully consider all consultation responses from the tobacco industry and from those with links to the tobacco industry and include them in the published summary of consultation responses.

Absolutely none.
