

- (1) • Health - Boots reach into local communities, major health providers going beyond provision of retail.
- Employer - major employer of local workforce. Invest in their people to retain staff and offer career progression. Commitment to local.
- Business - outline of business model and online function vs high street presence. (2)

(3) TCAP - general update on actions. Boots remain keen to engage.

Forward look - STP, CPWG + SG cohort maintain action.

- Business rates - Boots have been interested in review and outcome of that.

Action - ensure Boots feed into review. Details on SG web.

- TCFP - outline what this is intended to do - All LAs, PBs signed up with

Camogie + Abellio others signed to date. Minister asks Boots to consider

* Action - send wording of TCFP to Boots to consider signing up + explain press.

(5) BIDs. - Boots pay into all BIDs levy in Scotland and ask store mgrs to be part of local discussions.

- Question raised on quality of BIDs overall and how this can differ locally.

- BIDs London was discussed - AG Chair of this BID so understands the model and the reach. Should Scotland look to London BID and elsewhere esp how to develop the model. Recognition that good BIDs in Scotland + flexibility of the legislation.

Action - AG to send London BID paper.
