Scotland's Redress Scheme Equalities Survey (optional)

This survey asks you information about yourself. Your answers to these questions will not affect any decisions about your application and will not be seen by your case worker or anyone making decisions about your application.

The survey is optional.

You can choose whether or not to complete it. If you complete it, you should return it with your application.

The information that you give in the survey will be used to help Scotland's Redress Scheme understand who is applying to the scheme. It will also be used to find out if any groups of people have a different experience with the scheme. If they are, Scotland's Redress Scheme can make changes to the application process to make sure that everyone who applies is treated equally.

Please remember that you should answer the questions about yourself and not anyone you are applying on behalf of. You can respond "prefer not to say" at any time, for any question in this survey.

For each question, please place a cross in the box next to the answer that is most accurate for you.

Scotland's Redress Scheme is committed to protecting and respecting your privacy. To find out more about how Scotland's Redress Scheme uses your data you can read the privacy notice on mygov.scot/redress
