

[Developer]

ELECTRICITY ACT 1989

TOWN AND COUNTRY PLANNING (SCOTLAND) ACT 1997

**THE ELECTRICITY WORKS (ENVIRONMENTAL IMPACT ASSESSMENT) (SCOTLAND)
REGULATIONS 2017**

Notice is hereby given that [Developer], [company registration number and office address], has applied to the Scottish Ministers for consent under section 36 of the Electricity Act 1989 to construct and operate the [name and type of generating station/extension to the generating station] on land at [location of proposal] (Central Grid Reference [xx xx xxxx]). The application also requests that a direction be made by the Scottish Ministers under section 57 of the Town and Country Planning (Scotland) Act 1997. The installed capacity of the proposed [generating station/extension to the generation station] would be up to [xxx] MW, [for wind farms also include the following text: comprising [xx] turbines with a ground to blade tip height of [xxx] metres.] The proposal is subject to Environmental Impact Assessment.

[Developer] has now submitted additional information to Scottish Ministers, which includes information relating to [content of the information e.g., ornithology, forestry, aviation etc.].

Copies of the additional information and the application ('the information') are available for public inspection in person, free of charge, during normal office hours at:

Location	Opening Hours	Address

The information can also be viewed at the Scottish Government Library at Victoria Quay, Edinburgh, EH6 6QQ; on the application website at (insert hyperlink); or at www.energyconsents.scot.

Copies of the information may be obtained from [Developer] (telephone: [xxxxxx]/email (xxxxx)) charge of £ [??] hard copy and £ [??] on CD. Copies of a short non-technical summary are available free of charge.

Any representations to the application may be submitted via the Energy Consents Unit website at www.energyconsents.scot/Register.aspx; by email to the Scottish Government, Energy Consents Unit mailbox at representations@gov.scot; or by post to the Scottish Government, Energy Consents Unit, 4th Floor, 5 Atlantic Quay, 150 Broomielaw, Glasgow, G2 8LU, identifying the proposal and specifying the grounds for representation.

Representations should be dated, clearly stating the name (in block capitals), full return email and postal address of those making representations. Only representations sent by email to representations@gov.scot will receive acknowledgement.

All representations should be received not later than [the date falling 30 days from the date of the last print publication of this notice], although Ministers may consider representations received after this date.

Any subsequent additional information which is submitted by the developer will be subject to further public notice in this manner, and representations to such information will be accepted as per this notice.

As a result of a statutory objection from the relevant planning authority, or where Scottish Ministers decide to exercise their discretion to do so, Scottish Ministers can also cause a Public Local Inquiry (PLI) to be held.

Following examination of the environmental information and all views and representations received, Scottish Ministers will determine this application for consent in one of two ways:

- Consent the proposal, with or without conditions attached; or
- Reject the proposal

All previous representations received in relation to this development remain valid.

General Data Protection Regulations

The Scottish Government Energy Consents Unit processes applications under the Electricity Act 1989. To support transparency in decision making, the Scottish Government publishes representations online at www.energyconsents.scot. A privacy notice is published on the help page at www.energyconsents.scot. This explains how the Energy Consents Unit processes your personal information and includes contact details for any enquiries or complaints regarding how your personal data is handled.
