Will the activity take place within or in close proximity to a Special Area of Conservation ("SAC") Special Protection Area ("SPA"), proposed SPA ("pSPA"), Ramsar site or Marine Protected Area ("MPA") or proposed MPA ("pMPA")?
Yes No
If yes, please provide written confirmation from Scottish Natural Heritage (within 12nm) or/and the Joint Nature Conservation Committee (outwith 12nm) that the proposed works will not have a likely significant effect on a SAC, SPA, pSPA or Ramsar site or be capable of affecting (other than insignificantly) a MPA or pMPA. This must be submitted alongside this form.
Please note that if there is a likely significant effect on a SAC, SPA pSPA, or Ramsar site or the activity is capable of affecting (other than insignificantly) a MPA or pMPA, a marine licence will be required for the works.
I declare that the following conditions relative to the activity/activities to be undertaken are met:
Sediment Sampling
the volume of sediment removed will be less than 1 cubic metre (per sample);
the activity is not likely to cause obstruction or danger to navigation*;
Removal of Accidental Deposits
the activity is not likely to cause obstruction or danger to navigation*;
the object(s) to be removed from the seabed has been deposited there for less than one year before the removal activity is commenced;
Bored Tunnels
the deposit or works activity is to be carried out wholly under the sea bed in connection with the construction or operation of a bored tunnel;
Please provide written confirmation from the Maritime and Coastguard Agency, the Northern Lighthouse Board and the statutory harbour authority (if applicable) along with this form to confirm that the activity is not likely to cause obstruction or danger to navigation.
WARNING It is an offence under section 42 of the Marine (Scotland) Act 2010 to fail to disclose information or to provide false or misleading information. It is the responsibility of the applicant to obtain any other consents or authorisations that may be required. I declare to the best of my knowledge and belief that the information given in this form and related papers is true.
