

CONSULTATION QUESTIONS

Q1. What are your views on the overall costs and savings identified in the Business and Regulatory Impact Assessments?

No savings

Q2. Do you agree with the registration process as described?

No

Q3. If not, what changes would you propose to the process?

We would suggest that the impact of the proposed Classes on the marine environment is negligible, and as such these activities should be exempted rather than require either licensing or registration.

Q4. Do you agree that the listed activities should be registerable, rather than licensable?

Yes No

Q5. Do you have further comments regarding the activities listed above?

No

Q6. Are there any other classes of activity that should be registerable?

No

Q7. Do agree that statutory consultees should not be specified in legislation for the pre-application consultation process?

Yes No

Q8. If not, which persons or bodies do you believe should be specified as statutory consultees for the pre-application consultation process?

As per Marine Licensing process, to allow a preview of planned activities and participation in the local consultation where appropriate.

Q9. Do you agree with the classes of activity that will be subject to pre-application consultation?

Yes No

Q10. If not, what activities would you add or remove from the list?

Comments

Q11. Do you believe that the above proposals discriminate disproportionately between persons defined by age, disability, sexual orientation, gender, race and religion and belief?

Yes No

Q12. If you answered yes to Question 11, in what way do you believe the proposals to be discriminatory?
