

CONSULTATION QUESTIONS

Q1. What are your views on the overall costs and savings identified in the Business and Regulatory Impact Assessments?

The costs and savings identified would appear to be fair.

Q2. Do you agree with the registration process as described?

Yes.

Q3. If not, what changes would you propose to the process?

N/A.

Q4. Do you agree that the listed activities should be registerable, rather than licensable?

Yes No

Q5. Do you have further comments regarding the activities listed above?

To avoid potential cumulative negative impacts to the environment, there may be a need to monitor the occurrence of some Registerable activities in an area.

Q6. Are there any other classes of activity that should be registerable?

No.

Q7. Do you agree that statutory consultees should not be specified in legislation for the pre-application consultation process?

Yes No

Q8. If not, which persons or bodies do you believe should be specified as statutory consultees for the pre-application consultation process?

While there is agreement to Q7, there needs to be some mechanism in place to ensure that all of the relevant stakeholders are contacted as part of the pre-application consultation process.

Q9. Do you agree with the classes of activity that will be subject to pre-application consultation?

Yes No

Q10. If not, what activities would you add or remove from the list?

N/A.
