Question 9
What do you think needs to be done to help people with learning disabilities get jobs?

Please write your answer here

Not many people with learning disabilities are in paid work. Those who do have jobs often work 16 hours a week or less. Many people said there was a choice of job opportunities. People often wanted to work more hours. Sometimes people were offered other changes to their benefits if they worked longer. People with learning disabilities often do voluntary work if they feel that people need help. People might do voluntary work because it is slower.
