**IF you've ever visited Cumbrae or Arran, you'll know that they are both islands, completely surrounded by water – just like Bute our near neighbour. Yet this proposal suggests that two of the Clyde islands should be annexed to 'South West Scotland' rather than 'Highlands and Islands. This seems odd.**

Eurostat have requested we consider merging the Highlands & Islands with North Eastern Scotland to create a new area that's closer to the recommended population thresholds. The Scottish Government plan to request that these areas should be allowed an exemption under Article 3 (5) of the NUTS Regulations, i.e. because of particular geographical, socio-economic, historical, cultural or environmental circumstances, especially in the islands and the outermost regions.

**Please provide any evidence in favour of or against an exemption under Article 3 (5) of the NUTS Regulations for Highlands & Islands and North Eastern Scotland NUTS 2 areas?**
