**PRESCRIBED FUNCTIONS CONFERRED ON A LOCAL AUTHORITY OFFICER  
RELATING TO THE PUBLIC BODIES (JOINT WORKING) (SCOTLAND) ACT  
2014**

**CONSULTATION QUESTIONS**

1. Do you believe that the draft Regulations will effectively achieve the policy intention of the Act?

**Yes**

**No**

2. If not, which part of the draft Regulations do you believe may not effectively achieve the policy intention of the Act, and why?

3. Are there any further comments you would like to offer on these draft Regulations?

For the regulations to effectively achieve the intention of the Act, Down's Syndrome Scotland would argue that information about the Act and the new regulations would need to be simplified and that outcomes should be more clearly defined with specific timescales attached to them. This would allow for everyone to fully understand the intention behind the new policies and the new regulations. This would also facilitate policy monitoring and encourage consistency across all local authorities.
