

PRESCRIBED GROUPS WHICH MUST BE CONSULTED WHEN PREPARING OR REVISING INTEGRATION SCHEMES; PREPARING DRAFT STRATEGIC PLANS; AND WHEN MAKING DECISIONS AFFECTING LOCALITIES RELATING TO THE PUBLIC BODIES (JOINT WORKING) (SCOTLAND) ACT 2014

CONSULTATION QUESTIONS

1. Do these draft Regulations include the right groups of people?

Yes

No

2. If no, what other groups should be included within the draft Regulations?

Please see comments in box 3 below.

3. Are there any further comments you would like to offer on these draft Regulations?

The draft Regulations specify a very wide group of people and accordingly it will be a significant challenge to make consultation meaningful rather than tokenistic. The Regulations as currently drafted do not assist in promoting meaningful consultation. Other ways of promoting consultation such as the role of elected members are absent from the draft Regulations.

ANNEX 2(D)

MEMBERSHIP, POWERS AND PROCEEDINGS OF INTEGRATION JOINT BOARDS ESTABLISHED UNDER THE PUBLIC BODIES (JOINT WORKING) (SCOTLAND) ACT 2014

CONSULTATION QUESTIONS

1. Are there any additional non-voting members who should be included in the Integration Joint Board?

Yes

No

2. If you answered 'yes', please list those you feel should be included:

No, however more clarity is required – please see comments in box 4 below.

3. Are there any other areas related to the operation of the Integration Joint Board that should also covered by this draft Order?

Please see comments in box 4 below.

4. Are there any further comments you would like to offer on this draft Order?

The Partnership would welcome clarity and more direction as to who the third sector representative should be. In relation to the provisions on carer representative and service user representative, the current provisions are tokenistic. Both groups include huge numbers of people, and it is impossible to identify a representative who can genuinely represent such diverse groups at Board level. The Regulations should specify better proposals that would genuinely achieve engagement with these important groups. In relation to the registered Health Professional, the Partnership would wish to see Regulations specify that this person should be working and employed within the Partnership area.

The Partnership would wish the Scottish Government to have regard to the response by the Society of Local Authority Lawyers & Administrators in Scotland (SOLAR).

**PRESCRIBED MEMBERSHIP OF STRATEGIC PLANNING GROUPS
ESTABLISHED UNDER THE PUBLIC BODIES (JOINT WORKING) (SCOTLAND)
ACT 2014**

CONSULTATION QUESTIONS

1. The draft Regulations prescribe the groups of people that should be represented on the strategic planning group. Do you think the groups of people listed are the right set of people that need to be represented on the strategic planning group?

Yes

No

2. If no, what changes would you propose?

The list provided in the Schedule to the Regulations comprises a very large group of people. While such a large group is an essential reference point in terms of engaging at events, etc. it does not make sense to have such a large number of people as part of a formal Committee/Group. The formal Committee/Group instead needs to be an executive group drawn from the wider interested parties, and the Regulations should be amended accordingly.

3. Are there any further comments you would like to offer on these draft Regulations?

No further comment.
