#### CONSULTATION QUESTIONS

1. Do these draft Regulations include the right groups of people?

Yes

No

2. If no, what other groups should be included within the draft Regulations?

**Housing services** are critical to the delivery of care in the community

Managing transition to adult hood services requires effective working with **Children's Services** so they too should be prescribed for consultation

3. Are there any further comments you would like to offer on these draft Regulations?

No

### MEMBERSHIP, POWERS AND PROCEEDINGS OF INTEGRATION JOINT BOARDS ESTABLISHED UNDER THE PUBLIC BODIES (JOINT WORKING) (SCOTLAND) ACT 2014

#### CONSULTATION QUESTIONS

1. Are there any additional non-voting members who should be included in the Integration Joint Board?

Yes

No

2. If you answered 'yes', please list those you feel should be included:

It is difficult to envisage one staff representative for the whole Partnership being able to operate effectively. The emphasis should be on demonstrating effective engagement with staff in both agencies recognising that the process is likely to be different in NHS and the Local Authority. This may not necessarily be best achieved through staff participation on the Board but if this was the chosen approach then two representatives would be needed.

3. Are there any other areas related to the operation of the Integration Joint Board that should also covered by this draft Order?

4. Are there any further comments you would like to offer on this draft Order?

There should be discretion about the ability to nominate members to reflect the local circumstances. This should include greater scope for the appointment process of the NHS voting members.

**PRESCRIBED MEMBERSHIP OF STRATEGIC PLANNING GROUPS  
ESTABLISHED UNDER THE PUBLIC BODIES (JOINT WORKING) (SCOTLAND)  
ACT 2014**

**CONSULTATION QUESTIONS**

1. The draft Regulations prescribe the groups of people that should be represented on the strategic planning group. Do you think the groups of people listed are the right set of people that need to be represented on the strategic planning group?

**Yes**

**No**

2. If no, what changes would you propose?

The regulations are unnecessarily prescriptive and allow little local discretion to build upon existing mechanisms for involvement of users, carers, providers and the wider community planning partnership. There is a strong risk of repeating previous failings through the creation of cumbersome bodies. The emphasis should instead be upon being able to demonstrate effective involvement of all key stakeholders.

3. Are there any further comments you would like to offer on these draft Regulations?

The regulations need to take cognisance of the wide variations in scope and size of Partnerships. The proposals may be appropriate for a large partnership but would be quite inappropriate for smaller Partnerships.
