PRESCRIBED GROUPS WHICH MUST BE CONSULTED WHEN PREPARING OR REVISING INTEGRATION SCHEMES; PREPARING DRAFT STRATEGIC PLANS; AND WHEN MAKING DECISIONS AFFECTING LOCALITIES RELATING TO THE PUBLIC BODIES (JOINT WORKING) (SCOTLAND) ACT 2014

CONSULTATION QUESTIONS

1. Do these draft Regulations include the right groups of people?

Yes

No

2. If no, what other groups should be included within the draft Regulations?

3. Are there any further comments you would like to offer on these draft Regulations?

There needs to be greater clarity on the health professionals and commercial providers of healthcare included in the list of consultees in order to cover all aspects on primary, secondary, acute, intermediate and community care. Locality advisory, contractual and professional groups must be included.

ANNEX 2(D)

MEMBERSHIP, POWERS AND PROCEEDINGS OF INTEGRATION JOINT BOARDS ESTABLISHED UNDER THE PUBLIC BODIES (JOINT WORKING) (SCOTLAND) ACT 2014

CONSULTATION QUESTIONS

1. Are there any additional non-voting members who should be included in the Integration Joint Board?

Yes

No

2. If you answered 'yes', please list those you feel should be included:

More than one health professional will be required to cover the portfolio of perspectives and viewpoints which will be pertinent to patient care. Unless every single health profession is represented which would be impractical then it will be necessary for the appointed health professionals to have regular and robust links with multi-professional advisory groups in their localities and to represent all of these groups as a core requirement of their remit, rather than their own profession.

3. Are there any other areas related to the operation of the Integration Joint Board that should also covered by this draft Order?

4. Are there any further comments you would like to offer on this draft Order?

ANNEX 3(D)

ESTABLISHMENT, MEMBERSHIP AND PROCEEDINGS OF INTEGRATION JOINT MONITORING COMMITTEES ESTABLISHED UNDER THE PUBLIC BODIES (JOINT WORKING) (SCOTLAND) ACT 2014

Consultation Questions

1. Do you agree with the proposed minimum membership of the integration joint monitoring committee, as set out in the draft Order?

Yes

No

2. If you answered 'no', please list those you feel should be included:

It will be difficult for one health professional to cover all aspects of care and be as informed as necessary. We would prefer a representative from the three largest professions, Medicine, Nursing and Pharmacy as well as one from the Allied Health Professionals to be able to give broader viewpoints and to straddle secondary and primary care.

3. Are there any other areas related to the operation of the integration joint monitoring committee that should also covered by the draft Order?

4. Are there any further comments you would like to offer on this draft Order?

**PRESCRIBED MEMBERSHIP OF STRATEGIC PLANNING GROUPS
ESTABLISHED UNDER THE PUBLIC BODIES (JOINT WORKING) (SCOTLAND)
ACT 2014**

CONSULTATION QUESTIONS

1. The draft Regulations prescribe the groups of people that should be represented on the strategic planning group. Do you think the groups of people listed are the right set of people that need to be represented on the strategic planning group?

Yes

No

2. If no, what changes would you propose?

We request that pharmacists are listed specifically being the third largest health profession and acknowledging the importance of medicines in so many aspects of patient care.
Pharmacists are not Allied Health Professionals and cannot be included in this group.

3. Are there any further comments you would like to offer on these draft Regulations?

More clarity and specifics are required to ensure that health professionals and commercial providers of health care includes those major contributors to patient care who are contracted to health boards e.g. community pharmacists, and representation from secondary and primary sectors. Strategic planning locally should be as inclusive and multidisciplinary as possible to make best use of all available resources.

ANNEX 5(D)

PRESCRIBED FORM AND CONTENT OF PERFORMANCE REPORTS RELATING TO THE PUBLIC BODIES (JOINT WORKING) (SCOTLAND) ACT 2014

CONSULTATION QUESTIONS

1. Do you agree with the prescribed matters to be included in the performance report?

Yes

No

2. If no, please explain why:

3. Are there any additional matters you think should be prescribed in the performance report?

Yes

No

4. If yes, please tell us which additional matters should be prescribed and why:

5. Should Scottish Ministers prescribe the form that annual performance reports should take?

Yes

No

6. If you answered yes, what form should Scottish Ministers prescribe?

7. Are there any further comments you would like to offer on these draft Regulations?

Ministerial oversight and review should ensure that responsibility, accountability and transparency are all prioritised by the integration boards, along with the ability to change course when outcomes are not delivered. This governance needs to be paramount when implementing such radical changes to ways of working.
