### MEMBERSHIP, POWERS AND PROCEEDINGS OF INTEGRATION JOINT BOARDS ESTABLISHED UNDER THE PUBLIC BODIES (JOINT WORKING) (SCOTLAND) ACT 2014

#### CONSULTATION QUESTIONS

1. Are there any additional non-voting members who should be included in the Integration Joint Board?

Yes

No

2. If you answered 'yes', please list those you feel should be included:

• Older People Themselves  
• Representatives of Seniors Together in South Lanarkshire.

3. Are there any other areas related to the operation of the Integration Joint Board that should also be covered by this draft Order?

• How will you ensure that the information & comments from localities is taken on board?  
• Performance targets in relation to the number of older people involved in decision making should be put in place.

4. Are there any further comments you would like to offer on this draft Order?

• We feel strongly that a carers rep has been included but an older person has not yet - the response from South Lanarkshire Council recommended that an older adult should be included.  
• Constantly including the Hired Sector Interface organisation is not helpful and assumes they are representative of older people and that sector as a whole. In our experience this does not bode well for meaningful involvement of older people.
