Dear Review Board,

I was appalled to hear that Scotland's Hunting laws are a lot more lenient than England's and Wales.' There is amounting evidence that with *loopholes in the law, hunting with hounds is just as prevalent now as it was prior to the 2002 Hunting Act. [Fife Foxhounds 8th November 2014 - YouTube](#)

I was extremely encouraged last year when Nicola Sturgeon got behind the campaign to stop David Cameron trying to repeal the Hunting Act in England.

Please lead by example and let's stop the horrendous torture of our beautiful wildlife.

Yours Sincerely

Mrs Debbie Harris
