Enforcement

Enforcement

7. A local authority may authorise in writing, a person who appears suitable to that local authority to exercise in its area, for an authorised purpose, and in accordance with the terms of the authorisation, any of the powers specified in regulation 8.

Powers of entry and examination etc.

8.—(1) The powers which an enforcement officer may be authorised to exercise are—

- (a) to enter at any reasonable time any premises (other than premises used wholly or mainly as a dwelling) which the enforcement officer has reason to believe it is necessary to enter for an authorised purpose,

- (b) when entering any premises under sub-paragraph (a)—
 - (i) to be accompanied by another enforcement officer, and

 - (d) as regards any premises which an enforcement officer has power to enter under sub-paragraph (a), to direct that those premises or any part of them, or anything in them, be left undisturbed (whether generally or in particular respects) for so long as is reasonably necessary for the purpose of examination or investigation under sub-paragraph (c),
 - (e) to take any samples, or cause samples to be taken, of any articles or substances found in or on any premises which an enforcement officer has power to enter under sub-paragraph (a), and to cause any such articles or substances to be analysed or tested,
 - (f) in the case of any article found in any premises which an enforcement officer has power to enter, being an article which appears to that enforcement officer to have caused or be likely to cause pollution of the environment or harm to human health, to cause it to be dismantled or subjected to any process or test (but not so as to damage or destroy it, unless that is necessary),
 - (g) in the case of any article as is mentioned in paragraph (f) above, to take possession of it and to retain it for so long as is necessary for all or any of the following purposes—
 - (i) to examine it, and subject it to any process or test, or cause it to be examined,
 - (ii) to ensure that it is not tampered with before the examination is completed,
 - (iii) to ensure that it is available for use as evidence in any proceedings for an offence under these Regulations.
- (2) Except in an emergency, where an enforcement officer proposes to enter any premises and—
- (a) entry has been refused and the enforcement officer apprehends on reasonable grounds that the use of force may be necessary to effect entry, or
 - (b) the enforcement officer apprehends on reasonable grounds that entry is likely to be refused and that the use of reasonable force may be necessary to effect entry,
- any entry on to those premises by virtue of paragraph (1)(a) may only be effected under the authority of a warrant issued under paragraph (3).

 - (b) a refusal of admission to the premises is reasonably apprehended,

- (c) the premises are unoccupied,

(5) A warrant issued under paragraph (3) above continues in force until the purpose for which the entry is required has been satisfied.

(6) Nothing in paragraph (1)(c)(iii) compels the production by a person of any document of which that person would on grounds of legal professional privilege be entitled to withhold production on an order for the production of documents in an action in the Court of Session.

(7) An enforcement officer may only exercise the powers in paragraph (1) if the enforcement officer has reasonable cause to believe that an offence under the Regulations has been or is being committed.
