Dear Ms Milne

TOWN AND COUNTRY PLANNING (SCOTLAND) ACT 1997 Notice of Intention to Adopt Stirling Local Development Plan

I refer to your letter of 21 August 2014, certifying notice of Stirling Council's intention to adopt the proposed Stirling Local Development as modified.

Scottish Ministers' decisions as to whether they will intervene at this stage of the development planning process are taken on a case by case basis and in light of the particular circumstances of each proposed plan. It is the responsibility of the planning authority to satisfy itself that they have complied with legislation, and in regard to this particular plan, compliance with section 19(10) of the Town and Country Planning (Scotland) Act 1997.

Scottish Ministers have considered the information provided and concluded that the Stirling Local Development Plan would not be unsatisfactory to the extent that they would wish to intervene under section 20 of the above Act. Therefore the Council may proceed to adopt the plan in accordance with the provisions of the Town and Country Planning (Scotland) Act 1997, after 24 September 2014.

Two copies of the plan should be sent to Scottish Ministers in due course.

Yours sincerely

Robin Campbell
Senior Planner
