Dear Fiona McBrierty

### **West Lothian Council - Supplementary Guidance**

I refer to your correspondence received on 11 February 2019 regarding the document titled Supplementary Guidance: Air Quality.

This document has been submitted to Scottish Ministers with the intention of adopting and issuing it as supplementary guidance within the meaning of section 22(1) of the Town and Country Planning (Scotland) Act 1997 (“the 1997 Act”). It is not considered in respect of this document that the provisions of regulation 27(2) of the Town and Country Planning (Development Planning) (Scotland) Regulations 2008 (“the 2008 Regulations”) are met and therefore the document would not qualify as supplementary guidance within section 22(1) of the 1997 Act. The Scottish Ministers do not consider that there is a requirement for the document to be submitted to them under section 22(6) of the 1997 Act.

Yours sincerely

**Robin Campbell**  
**Principal Planner**
