Dear David,

The Highland Council Onshore Wind Energy Supplementary Guidance

I refer to your correspondence of 29 September 2016 serving notice of The Highland Council's intention to adopt the above supplementary guidance. I also refer to subsequent notification from Scottish Ministers extending the period of their consideration.

Scottish Ministers give notice that before adopting The Highland Council Onshore Wind Energy Supplementary Guidance the Highland Council must make such modifications to it as are specified in Annex A to this notice. The modifications are required to ensure the supplementary guidance is not significantly contrary to Scottish Planning Policy.

Yours sincerely
