Dear Laura

**TOWN AND COUNTRY PLANNING (SCOTLAND) ACT 1997
NOTICE OF INTENTION TO ADOPT: SUPPLEMENTARY GUIDANCE**

I refer to your correspondence of 25 August 2016 notifying Scottish Ministers of your intention to adopt the document titled Community Infrastructure Assessment in association with South Lanarkshire Local Development Plan.

Scottish Ministers do not propose to issue a direction in relation to this document.

The Council should satisfy itself that it has met the requirements set down by section 27 (2) of the Town and Country Planning (Development Planning) (Scotland) Regulations 2008.

Section 27(2) of the above regulations, state that supplementary guidance adopted and issued under section 22(1) of the 1997 Act (in connection with a particular local development plan), may only deal with the provision of further information or detail in respect of the policies or proposals set out in the plan and then only provided that those are matters which are expressly identified in a statement contained in the plan as matters which are to be dealt with in supplementary guidance.

Please note, as of 5 September 2016, we changed our approach to our involvement in Development Plan preparation. Details for this are set out in the Development Plan Gateway [Service Standard](#).

Yours sincerely

Robin Campbell
Senior Planner
