Dear Michael

**TOWN AND COUNTRY PLANNING (SCOTLAND) ACT 1997  
NOTICE OF INTENTION TO ADOPT: SUPPLEMENTARY GUIDANCE**

I refer to your correspondence of 27 August 2015 certifying notice of South Lanarkshire Council's intention to adopt the following supplementary guidance:

- SG1: Sustainable Development and Climate Change
- SG2: Green Belt and Rural Area
- SG3: Development Management, Placemaking and Design
- SG5: Industrial and Commercial Development
- SG6: Town Centres and Retailing
- SG7: Affordable Housing and Housing Choice
- SG8: Green Network and Greenspace
- SG9: Natural and Historic Environment

I write to confirm that Scottish Ministers do not propose to issue a Direction with regard to the above Supplementary Guidance. The Council may therefore proceed to adopt the supplementary guidance in accordance with the provisions of the Town and Country Planning (Scotland) Act 1997. The Council should satisfy itself that it has met the requirements set down by section 27 (2) of the Town and Country Planning (Development Planning) (Scotland) Regulations 2008.

Yours sincerely
