Dear Mr Briggs

**THE TOWN AND COUNTRY PLANNING (NOTIFICATION OF APPLICATIONS)  
(GLASGOW COUNCIL) (PROPOSED ERECTION OF RESIDENTIAL DEVELOPMENT  
WITH ASSOCIATED PARKING, LANDSCAPING AND VEHICULAR ACCESS AND  
DEMOLITION OF EXISTING STRUCTURES AT SITE AT KELBOURNE STREET/SANDA  
STREET/CLOUSTON STREET, GLASGOW) DIRECTION 2013**

I refer to your Council's letter and enclosures of 2 February 2016, which were received on «date» notifying the above mentioned proposal to the Scottish Ministers under the terms the Town and Country Planning (Notification Of Applications) (Scotland) Direction 2009.

Before the Scottish Ministers can proceed with consideration of this planning application, you should submit the following documentation/information:-

1. I can not find/identify all the representations identified on the Committee Report. These representations are as follows:-

Patrick Harvie MSP, Fields in Trust, RSPB. Although the representation from Councillor Billy Mcallister is clearly identified on the web site nothing is contained in the document from him. The representation from North Kelvin Community Council which is identified as date published 5 February 2013 on the Council web site will not open.

2 I refer to the consultations contained to on page 2 of the committee report. Again I can only identify the consultation responses from SNH and SEPA although the letter from SEPA dated 26 May 2015 refers to their previous letter dated 17 December 2012 (their reference PCS/123922). There is reference to comments from Glasgow Life (Sport and Infrastructure Supply) on Page 3 of the Committee Report. I can not find/Identify this document on the web site

I have not gone through all the documents contained on the web site but there appears still to be problems with it. The message from the Drainage Impact assessment document is 'Damaged and Could not be opened'. You may wish to check the other documentation on your web site to ensure they are not corrupted in any way before submitting a response to this letter

3. I would be grateful to receive a full list of names and addresses of all those who made representation.

The 28 day period within which the Scottish Ministers may require your authority to refer the application to them for determination will commence on the date of receipt of all of the above information.

Yours sincerely

ALEX KERR
