Dear Mr Thomas

**TOWN AND COUNTRY PLANNING (SCOTLAND) ACT 1997  
THE TOWN AND COUNTRY PLANNING (NOTIFICATION OF APPLICATIONS)  
(SCOTLAND) DIRECTION 2009  
ERECTION OF TWO CLASS 3 UNITS, FORMATION OF OUTDOOR SEATING AREA,  
ASSOCIATED CAR PARKING AND LANDSCAPING AT QUEENS DRIVE RETAIL PARK,  
QUEENS DRIVE, KILMARNOCK**

I refer to your Council's letter of 24 November 2016 received on 25 November 2016 notified to the Scottish Ministers in accordance with category 2 to the Schedule of the above Direction.

Before Scottish Ministers can proceed with consideration of this planning application, you should submit the following documentation/information:

1. I can't find/identify the consultation response received from Ayrshire Roads Alliance (Traffic) although on the web site there is a response titled response (roads) from (ARA) which maybe is the same thing but what is quoted in Section 8 of the committee report does not match up with the roads response on the web site.
2. Similarly, the consultation comments quoted in Section 8 of the committee report from Ayrshire Roads Alliance (ARA) (Flooding) does not match up with that contained in their response on the web site.
3. A copy of SEPA's letters of 26 July and 11 August 2016.
4. I can't find/identify a copy of the supporting statement for the proposals.

5. Document 2526-001 enclosed with yesterday's e-mail refers to 1 letter of objection although there is only reference to and access to 1 letter of support submitted by Costa Ltd. Was an objection letter lodged?

I can't check the points I raise at parts 1-5 of this letter as the hardcopy paperwork referred to in your notification letter has still not arrived.

The 28 day period within which Scottish Ministers may require your authority to refer the application to them for determination will commence on the date of receipt of all of the above information.

Yours sincerely

ALEX KERR
