Dear Jim,

**Glasgow City Council - Local Development Plan - Supplementary Guidance - NIA - Final Draft North Glasgow Strategic Development Framework (October 2022)**

I refer to your correspondence of 1<sup>st</sup> February, 2023, certifying notice of Glasgow City Council's intention to adopt the above item of supplementary guidance.

Scottish Ministers do not propose to issue a direction in relation to this document.

Prior to adopting this document as supplementary guidance, your Authority should satisfy itself that it has met the requirements set out in the Town and Country Planning (Development Planning) (Scotland) Regulations 2008. In particular, we would bring to your attention the need to comply with section 27(2) of the above regulations, which state that supplementary guidance adopted and issued under section 22(1) of the 1997 Act (in connection with a particular local development plan), may only deal with the provision of further information or detail in respect of the policies or proposals set out in the plan and then only provided that those are matters which are expressly identified in a statement contained in the plan as matters which are to be dealt with in supplementary guidance.

Yours sincerely

Allen Hughes  
Planning, Architecture and Regeneration Division
