Ian,

Getting It Right For Every Child Practice Development Panel=

Thank you for your letter of 21 December 2018.

I am grateful for this update on progress made by the Practice Development Panel in developing an authoritative draft Code of Practice for information sharing. Thank you for your continued work on these complex issues, I have noted the Panel's emerging thinking and I look forward to reading the Panel's report and findings at the end of their engagement period.
