25 February 2021

Dear Sally

I enclose a copy of the draft Disability Assistance for Children and Young People (Scotland) Regulations 2021. As you will know, the Scottish Government formally published its response to the Scottish Commission on Social Security's scrutiny reports of the above regulations on 12 February 2021, as well as laying the instrument before Parliament on the same date.

It has come to our attention that the provisions in in draft regulation 23 (amount and form of Child Disability Payment) contained references to historical rates of payment. This is a technical error in a complex instrument, which needs to be corrected quickly to allow us to maintain our commitments around delivery of Child Disability Payment.

As this provision is being made under section 31 and Schedule 5 of the Social Security (Scotland) Act 2018 ('the 2018 Act') and time for any subsequent amending instrument is short, I have decided to withdraw the instrument and lay an amended draft before Parliament tomorrow (26 February 2021).

I would like to ask SCoSS to review the amendments to the instrument under section 97 of the 2018 Act. I would be grateful if SCoSS could consider this revised provision and report back to me with any comments. We have also taken this opportunity to correct erroneous cross references which were picked up at the Delegated Powers and Law Reform Committee consideration. For ease of reference, we have highlighted the relevant changes.

The regulations will be accompanied by a statement explaining that the Scottish Government must lay the draft instrument in Parliament before the Commission has had time to report on the revised provision. This needs to be done to ensure that that the draft regulations provide for the correct rates of Child Disability Payment while maintaining the original coming into force date of 26 July 2021.

- (b) the individual has no legs or no feet (regardless of the use of artificial limbs),
- (c) the individual has a severe visual impairment,

- (a) is not unable or virtually unable to walk with the use of an artificial limb or artificial aid which the individual normally wears or uses, or
- (b) would not be unable or virtually unable to walk if the individual wore or used an artificial limb or artificial aid which is suitable to the individual’s circumstances.

(4) Paragraph (3) is not relevant for the purpose of determining whether an individual is to be taken to satisfy the conditions set out in paragraphs (2)(b) to (e).

(9) In paragraph (8)(b), reference to another person intervening relates to the provision of care and support of, or treatment provided to, the individual.

(10) An individual is not entitled to the mobility component unless—

- (a) throughout the period of 13 weeks immediately preceding the date on which the award of that component would begin, the individual has satisfied or is likely to satisfy one of the conditions mentioned in paragraph (2), and
- (b) the individual is likely to continue to satisfy one of those conditions throughout the period of 26 weeks beginning with that date.

Exclusion of entitlement to mobility component

14. An individual is not entitled to the mobility component of Child Disability Payment for a period unless, during most of that period, the individual's physical or mental condition is such that they are able, from time to time, to benefit from assistance for movement.

PART 4

Entitlement under special rules for terminal illness and when undergoing dialysis

Entitlement under special rules for terminal illness

15.—1) An individual who has a terminal illness is—

- (a) to be treated as satisfying the conditions for the highest rate of the care component of Child Disability Payment in regulation 11(5)(a), and
- (b) from the date on which the individual reaches the age of 3, to be treated as satisfying the conditions for the higher rate of the mobility component in regulation 13.

(2) Paragraph (1) applies regardless of—

- (a) the period of time for which the individual has had the terminal illness, and
- (b) any period of time spent by the individual in a hospital or hospice while in receipt of the assistance.

(3) Subject to paragraphs (4) and (5), the individual's entitlement to the rates referred to in paragraph (1) begins on the date on which—

- (a) the individual's application for Child Disability Payment was made, where the application included information about the individual's terminal illness,

- (b) the Scottish Ministers became aware of the individual’s terminal illness (whether as a result of the individual notifying a change in circumstances or otherwise), where the individual was previously awarded, and has an ongoing entitlement to, Child Disability Payment, on the basis of a determination that the individual was entitled to the care component or the mobility component or both in relation to a condition other than terminal illness, or
- (c) the clinical judgement was made in accordance with paragraphs (6) and (7) (“the judgement”),

whichever is the earlier.

(4) Where the judgement mentioned in paragraph (3)(c) is dated not more than 26 weeks earlier than whichever date in paragraph (3)(a) or (b) applies (“the relevant date”), the Scottish Ministers have the power, when making their determination, to specify that an individual’s entitlement begins—

- (a) up to a maximum of 26 weeks prior to the relevant date, and
- (b) on or after the day these Regulations come into force.

(5) Where the judgement mentioned in paragraph (3)(c)—

- (a) is dated more than 26 weeks earlier than whichever date in paragraph (3)(a) or (b) applies (“the relevant date”), and
- (b) an appropriate healthcare professional confirms that the judgement is still accurate by making a judgement in accordance with paragraphs (6) and (7),

an individual’s entitlement can only begin—

- (c) up to a maximum of 26 weeks prior to the relevant date, and
- (d) on or after the day these Regulations come into force.

(6) For the purpose of this regulation, an individual is to be regarded as having a terminal illness for the purpose of determining entitlement to Child Disability Payment if it is the judgement of an appropriate healthcare professional that the individual has a progressive disease that can reasonably be expected to cause the individual’s death.

(7) Subject to paragraph (8), an appropriate healthcare professional exercising the judgement described in paragraph (6) must have regard to the guidance prepared and made publicly available by the Chief Medical Officer of the Scottish Administration in accordance with paragraph 1(3) of schedule 5 of the 2018 Act.

(8) Where regulation 9 (persons residing outside the United Kingdom to whom a relevant EU regulation applies) applies to the individual, an appropriate healthcare professional mentioned in paragraph (9)(b) need not have regard to the guidance mentioned in paragraph (7) where it would not be reasonable in the circumstances to insist on the judgement being formed with regard to that guidance.

(9) In this regulation, “an appropriate healthcare professional” means—

- (a) a registered medical practitioner or a registered nurse who is—
 - (i) involved in the diagnosis or care of the individual, and
 - (ii) acting in their professional capacity, or
- (b) where regulation 9 applies to the individual, a person who—
 - (i) has equivalent qualifications to a registered medical practitioner or a registered nurse in an EEA state, Gibraltar or Switzerland,
 - (ii) is a member of the professional body equivalent to the General Medical Council or Nursing and Midwifery Council in that EEA state, Gibraltar or Switzerland, and
 - (iii) meets the requirements of sub-paragraph (a)(i) and (ii).

(10) Where an individual has received Child Disability Payment for a period and a determination is subsequently made that that individual is entitled to Child Disability Payment at a higher rate for that period by virtue of this regulation, any payment of Child Disability Payment to be made for that period will be reduced by any Child Disability Payment already paid to that individual for that period.

Entitlement to care component when undergoing dialysis

16.—(1) Subject to paragraph (5), an individual who is at least 3 months old is to be treated as satisfying the conditions for the care component in regulation 11 (care component criterion: lowest, middle or highest rate of care component) where the individual undergoes renal dialysis—

- (a) where at least one of the conditions in paragraph (2) is met, and
- (b) at least twice a week,

as a consequence of a disability or physical impairment.

(2) The conditions are that—

- (a) the renal dialysis is of a type which normally requires the attendance or supervision of another person, or
- (b) due to particular circumstances, the individual requires another person to attend—
 - (i) in connection with the individual's bodily functions, or
 - (ii) to supervise the individual in order to avoid substantial danger to the individual, during the period of the dialysis.

(3) Where the renal dialysis mentioned in paragraph (2) takes place by day or at night, the individual is entitled to the middle rate care component.

(4) Where the renal dialysis mentioned in paragraph (2) takes place both by day and at night, the individual is entitled to the highest rate care component.

(5) An individual is not entitled to the care component unless—

- (a) throughout the period of 13 weeks immediately preceding the date on which the award of that component would begin, the individual has satisfied or is likely to satisfy the requirements in paragraph (1) as read with paragraph (2), and
- (b) the individual is likely to continue to satisfy those requirements throughout the period of 26 weeks beginning with that date.

PART 5

(2) Subject to paragraphs (4) and (5), on and after the day on which the individual has been resident in a care home for 28 days, and for so long as the individual continues to reside in such a home, the value of the care component of Child Disability Payment that is to be given to the individual is £0 instead of the values set out in regulation 23 (amount and form of Child Disability Payment).

(3) The 28 days referred to in paragraph (2) may comprise two or more separate periods, provided that there is no more than 28 days between each period.

(4) Paragraph (2) does not apply to a resident in a care home, where the full costs of any qualifying services are met—

- (a) entirely out of the resources of the individual for whom the qualifying services are provided,
- (b) partly out of the resources of the individual for whom the qualifying services are provided and partly out of the resources of another person (other than a local authority) or assistance from a charity, or

 - (ii) aged between 16 and 18 and receiving services under Part II of the Children (Scotland) Act 1995^(a) by virtue of being a child in need within the meaning of section 93(4)(a)(ii) (impairment of health), or 93(4)(a)(iii) (disability) of that Act, or
- (b) is accommodated in a care home outside the United Kingdom, where the costs of any qualifying services are met by a local authority exercising its powers under section 25 of the Education (Additional Support for Learning) (Scotland) Act 2004^(b).

(6) For the purposes of this regulation and regulation 20 (entitlement beginning while in alternative accommodation), reference to an individual being “looked after by a local authority” is to be construed, as the case may be, in accordance with—

- (a) section 17(6) of the Children (Scotland) Act 1995^(c),
- (b) section 105(4) of the Children Act 1989^(d), or
- (c) article 25 of the Children (Northern Ireland) Order 1995^(e).

18.—(1) This regulation applies where an individual who has an ongoing entitlement to the care component of Child Disability Payment is in legal detention.

(2) On and after the day on which an individual has been in legal detention for 28 days, and for so long as the individual continues to be in legal detention, the value of the care component of Child Disability Payment that is to be given to the individual is to be £0, instead of the values set out in regulation 23 (amount and form of Child Disability Payment).

Calculation of periods of time spent in a care home or in legal detention

19.—(1) Subject to paragraphs (2) and (3), a period during which an individual is resident in a care home for the purpose of regulation 17 or in legal detention for the purpose of regulation 18 is to be taken to—

- (a) begin on the day after the day on which the individual enters the care home or legal detention, and
- (b) end on the day before the day on which the individual leaves the care home or legal detention.

(e) S.I. 1995/755, amended by section 2(1) of the Children (Leaving Care) Act (Northern Ireland) 2002 (c.11).

(2) Where an individual who is resident in a care home takes a period of leave from the home, the days on which the individual begins and returns from leave are not to be counted as days of residence in the home.

(3) Days constituting a period of leave are not to be counted as days of residence in a care home.

(4) Where an individual enters or returns to a care home as a result of a transfer from a hospital or a hospice, or from another care home, the day of transfer is to be counted as a day of residence in a care home.

(5) Where an individual enters legal detention as a result of a transfer from a hospital or a hospice, or from a care home, the day of transfer is to be counted as a day in legal detention.

Entitlement beginning while in alternative accommodation

20.—(1) This regulation applies where an individual is resident in a care home or in legal detention on the day on which entitlement to Child Disability Payment begins.

(2) On and after that day, and for so long as the individual continues to reside in a care, or be in legal detention, the value of the care component of Child Disability Payment that is to be given to the individual is £0 instead of the values set out in regulation 23 (amount and form of Child Disability Payment).

(3) Paragraphs (1) and (2) do not apply where the costs of any qualifying services whilst resident in a care home are met—

- (a) entirely out of the resources of the individual for whom the qualifying services are provided,

Entitlement to care component of Child Disability Payment while an in-patient

21. For the avoidance of doubt, any period when an individual is an in-patient in a hospice or hospital, has no effect on the individual's entitlement to the care component of Child Disability Payment.

PART 6

Making of applications and payments and duration of eligibility

Making payments

22.—(1) Where Child Disability Payment is payable in respect of an individual, the Scottish Ministers may, where they consider it appropriate, make the payment to another person to be used for the benefit of the individual.

(2) Where the Scottish Ministers consider, for any reason, that it is no longer appropriate for a particular person who falls within paragraph (1) to continue to receive the payment, they may cease making payment to that person.

Amount and form of Child Disability Payment

23.—(1) The weekly rate of payment of the care component is where the individual is entitled to—

- (b) the middle rate, £60.00, or
- (c) the lowest rate, £23.70.

(2) The weekly rate of payment of the mobility component is where the individual is entitled to—

- (a) the higher rate, £62.55, or
- (b) the lower rate, £23.70.

(3) Where an individual is entitled to payment of the care component or the mobility component for a period shorter than one week, payment of that component is to be made at one-seventh of the relevant weekly rate, for each day of entitlement.

(4) For any week where an individual is entitled to—

- (a) the care component of Child Disability Payment, and
- (b) payment of an amount in respect of constant attendance under section 61 of the Social Security Act 1975(a),

the amount of the care component of Child Disability Payment that is to be given to the individual is to be reduced by the amount paid under that section.

(5) For the purpose of calculating the amount of the care component that is to be given to the individual, in accordance with paragraph (4), where the amount in respect of constant attendance is equal to or greater than the amount of the care component of Child Disability Payment the value of Child Disability Payment that is to be given to the individual is to be £0.

 - (b) any provision in these Regulations reducing the amount to £0 has no effect.

(8) Child Disability Payment may only be given as money, except as provided for by regulation 27(1) (form of payment – giving Child Disability Payment by way of deduction).

When an application is to be treated as made and beginning of entitlement to assistance

24.—1) An application for Child Disability Payment is to be treated as made—

- (a) on the day it is received by the Scottish Ministers, or
- (b) if applicable, on the day identified by the Scottish Ministers in accordance with paragraph (2).

 - (v) regulation 12 (mobility requirements: lower rate mobility component),

the Scottish Ministers may choose the date within that 13 week period on which the application is to be treated as having been made.

(3) Where, on the basis of an application, a determination is made that an individual is entitled to Child Disability Payment, the date on which entitlement begins is to be identified in accordance with paragraphs (4) to (6).

(4) Where an application is made within 6 weeks of the day on which the full name and date of birth of an individual (“the required data”) is submitted by, or on behalf of, the individual to the Scottish Ministers for the purpose of an application for Child Disability Payment, entitlement begins on whichever is the later of the day—

(a) S.I. 1964/1985.
 (b) S.I. 1964/2007.
 (c) S.I. 1964/2058.

- (a) on which the required data was submitted, or
- (b) identified in accordance with paragraph (2).

(5) Subject to paragraph (6), where an application is made after the 6 week period described in paragraph (4), entitlement begins on the day on which the application is treated as having been made in accordance with paragraph (1).

(6) Where the Scottish Ministers are satisfied that there is good reason why an application was made after the 6 week period described in paragraph (4), they may treat the application as having been made within that period.

(7) For the purposes of section 38(3) (application for assistance) of the 2018 Act, the period covered by an application for Child Disability Payment—

- (a) under paragraph (1)(a)—
 - (i) begins on the day on which the application is treated as having been made, and
 - (ii) ends on the day on which the determination of entitlement is made, and
- (b) under paragraph (1)(b)—
 - (i) is deemed to begin on the day before the determination is made provided that the requirements are satisfied, and
 - (ii) ends on the day on which the determination is made.

Time of payment

25. Where an award of Child Disability Payment is made, the Scottish Ministers are to make—

- (a) the first payment of assistance on a date specified in the notice of determination, and
- (b) any subsequent payment—
 - (i) 4 weekly in arrears, or
 - (ii) where regulation 15 (entitlement under special rules for terminal illness) applies, weekly in advance.

Continuing eligibility

26.—(1) Subject to paragraphs (3) and (4), a determination that an individual is entitled to Child Disability Payment in respect of a period is to be made on the basis that the individual has an ongoing entitlement to Child Disability Payment after the end of that period, except where paragraph (2) applies.

(2) This paragraph applies where, after the end of the period mentioned in paragraph (1), the individual no longer satisfies the eligibility rules.

(3) A determination of ongoing entitlement is made on the basis that—

- (a) the individual will continue to be entitled to Child Disability Payment for a fixed or indefinite period as specified in the notice of determination, and
- (b) the decision that the individual is entitled to Child Disability Payment for each subsequent 4-week period is to be taken in accordance with these Regulations, on the strength of the assumptions set out in paragraph (4).

(4) The assumptions are that—

- (a) the individual continues to satisfy the eligibility criteria which were satisfied to be entitled to Child Disability Payment under the determination mentioned in paragraph (1),
- (b) the information on which the determination mentioned in paragraph (1) was made still applies and is relevant in the individual's case, and

- (c) there is no change in circumstances of the individual which would require to be notified under section 56 (duty to notify change of circumstances) of the 2018 Act.

Form of payment – giving Child Disability Payment by way of deduction

27.—(1) Where an individual has a liability to the Scottish Ministers under section 63 of the 2018 Act (liability for assistance given in error), the individual’s payment of Child Disability Payment may be given (in whole or in part) by way of deduction, at a reasonable level, from that liability either—

- (a) with the agreement of the individual, or
- (b) without the individual’s agreement, where the individual has unreasonably refused to agree to the assistance being given in that form.

(2) For the purpose of paragraph (1), “reasonable level” means a level that is reasonable having regard to the financial circumstances of the individual.

When an increase in level of entitlement takes effect

28.—1) Where, as a result of a determination without an application, the amount of Child Disability Payment payable in respect of an individual is increased or their entitlement to a component is awarded, the changed entitlement begins—

- (a) in the case of an increase pursuant to a determination made under regulation 31(d) (determination following change of circumstances etc.) on the day after the day on which Disability Living Allowance ceased to be paid in respect of the individual,
- (b) in the case of an award of entitlement to a component or an increase pursuant to a determination made in accordance with regulation 31(a) as a result of the individual reporting a change that affects their eligibility under regulation 11 (care component criterion: lowest, middle or highest rate of care component), 12 (mobility requirements: lower rate mobility component) or 13 (mobility requirements: higher rate mobility component), on the date when—
 - (i) if the individual reports the change within one month of the change occurring, the individual first satisfies the requirements for a higher rate of the care or mobility component,
 - (ii) if the individual reports the change more than one month but not more than 13 months of the change occurring, the individual first satisfies the requirements for a higher rate of the care or mobility component, but only if the Scottish Ministers consider that the individual had good reason for not notifying the change within one month, or
 - (iii) in any other case, the individual reports the change.
- (c) in the case of an earlier determination which was based on official error within the meaning of regulation 32 (determination following official error - underpayments) or on error within the meaning of regulation 33 (determination following error – overpayments), begins on the date when the earlier determination took effect, or
- (d) in any other case, on the date when Scottish Ministers make the determination.

(2) Where the Scottish Ministers consider that in all the circumstances it would be unjust not to do so, they may, when making their determination, set an earlier date for the purposes of paragraph 1(b), (c) or (d).

(3) This regulation does not apply to an individual to whom regulation 15 (entitlement under special rules for terminal illness) applies.

When a decrease in level or cessation of entitlement takes effect

29.—(1) Where, as a result of a determination without an application, the amount of Child Disability Payment payable in respect of an individual is decreased or their entitlement to a component is ceased, the changed entitlement begins—

- (a) in the case of a decrease pursuant to a determination made under regulation 31(d) (determination following change of circumstances etc.) on the day after the day on which Disability Living Allowance ceased to be paid in respect of the individual,
- (b) in the case of a determination without application under regulation 31(a), on the date when—
 - (i) if the individual knowingly fails to notify a change that the individual was required to notify under section 56 of the 2018 Act, the individual should have notified Scottish Ministers of the change,
 - (ii) in any other case, the Scottish Ministers make the determination,
- (c) in the case of an earlier determination which was based on official error within the meaning of regulation 32 (determination following official error - underpayments) or on error within the meaning of regulation 33 (determination following error – overpayments), begins on the date when the earlier determination took effect,
- (d) in any other case, on the date when Scottish Ministers make the determination.

(2) Where the Scottish Ministers consider that in all the circumstances it would be unjust not to do so, they may, when making their determination, set a later date for the purposes of paragraph 1(b), (c) or (d).

(3) Where before the end of the 13-week period, the Scottish Ministers are notified that the individual is no longer to move to become ordinarily resident in another part of the United Kingdom, the notification mentioned in paragraph (1) is to be treated as not having been made and the duty in paragraph (2) does not apply.

Short-term assistance

Entitlement to short-term assistance

1.—(1) Subject to sub-paragraph (2), an individual who is, or was, entitled to Child Disability Payment under a determination made on the basis that the individual has ongoing entitlement is entitled to short-term assistance where—

- (a) a determination of the individual's entitlement to Child Disability Payment ("earlier determination") has been superseded by a subsequent determination ("subsequent determination") which has the effect that the individual is—
 - (i) no longer entitled to Child Disability Payment, or
 - (ii) entitled to a lower amount of Child Disability Payment,
- (b) the individual's entitlement to Child Disability Payment is under review within the meaning of paragraph 1(2) of schedule 10 of the 2018 Act, and
- (c) the individual—
 - (i) continues to meet the conditions as to residence and presence set out in regulations 5 to 9, or
 - (ii) has transferred to become ordinarily resident in another part of the United Kingdom, and the matter under review is the determination of entitlement for the 13-week period beginning with the date of the transfer in accordance with regulation 36 (individuals in respect of whom Child Disability Payment is paid at the time of moving to another part of the United Kingdom).

(2) An individual is not entitled to short-term assistance where the individual is no longer entitled to Child Disability Payment as a result of a subsequent determination made under regulation 31(b) (determination following change of circumstances etc.).

(3) An individual to whom regulation 17(2) (effect of admission to a care home on ongoing entitlement to care component) or 18(2) (effect of legal detention on ongoing entitlement to care component) applies is not entitled to short-term assistance in respect of the care component of Child Disability Payment.

(4) Where the Scottish Ministers have made a determination under section 37 of the 2018 Act (duty to make determination) that an individual is entitled to short-term assistance, entitlement to short-term assistance begins—

- (a) where a request is made under section 41 of the 2018 Act (right to request re-determination) for a re-determination of the determination of the individual's entitlement to Child Disability Payment mentioned in paragraph 1(1)(a), on the day that request is made,
- (b) where a notice of appeal is submitted under section 47 of the 2018 Act (initiating an appeal) against the determination of the individual's entitlement to Child Disability Payment mentioned in paragraph 1(1)(a), on the day that request is made,

- (d) a request is made under section 48(1)(b) of the 2018 Act (deadline for appealing) for permission to appeal the determination of the individual's entitlement to Child Disability Payment mentioned in paragraph 1(1)(a), on the day that request is made.

Value and form

2.—(1) The value of short-term assistance payable is to be the difference between the amount of Child Disability Payment to which the individual was entitled under the earlier determination mentioned in paragraph 1(1)(a), and the amount of Child Disability Payment the individual is entitled to under the subsequent determination mentioned in paragraph 1(1)(a).

(2) The form in which the short term assistance is to be given is to be the same as the form in which Child Disability Payment was given under the earlier determination.

(3) Where the mobility component was being paid by the Scottish Ministers to an authorised provider of vehicles for persons with disabilities in accordance with regulation 38(1) (payment of mobility component to authorised provider of vehicles for individuals with disabilities) on the day before an individual's entitlement to the mobility component ended as a result of a subsequent determination mentioned in paragraph 1(1)(a)—

- (a) the amount of short-term assistance that is payable in respect of the mobility component may be paid by the Scottish Ministers to the authorised provider, and
- (b) paragraphs (1) and (2) of regulation 38 apply to the payment of short-term assistance as they had applied to the payment of mobility component prior to the individual's entitlement ending.

PART 3

Regulation 41

Transfer to Child Disability Payment

Interpretation

7. In this Part of the schedule—

“date of transfer” means the date when a transferring individual’s entitlement to Child Disability Payment begins by virtue of a determination made under paragraph 9(1),

“relevant individual” means an individual—

- (a) who has an award of Disability Living Allowance who appears to the Scottish Ministers to be likely to be eligible for Child Disability Payment,
- (b) who is—
 - (i) ordinarily resident in Scotland, or
 - (ii) someone to whom regulation 5(4) (residence and presence conditions) or 9(2) (persons residing outside the United Kingdom to whom a relevant EU regulation applies) applies,

“sufficient” means a link to Scotland that is sufficiently close that regulations 5(4) or 9(2) would be incompatible with the applicable agreement mentioned in that regulation, if the relevant individual were not entitled to Child Disability Payment,

“transfer notice” means the notice required by paragraph 8, and

“transferring individual” means a relevant individual on whom the Scottish Ministers have served a notice of intention to transfer in accordance with paragraph 8.

Notice of intention to transfer to Child Disability Payment

8.—(1) The Scottish Ministers are to notify each relevant individual of their intention to transfer that individual’s entitlement to disability assistance from an entitlement to Disability Living Allowance to an entitlement to Child Disability Payment.

(2) Notice under sub-paragraph (1) must—

- (a) be given in a way that leaves the relevant individual with a record of the information which they can show to, or otherwise share with, others,
- (b) inform the relevant individual that—
 - (i) they have been identified as a relevant individual for the purposes of transfer to Child Disability Payment,

- (ii) the Scottish Ministers will make a determination without application to transfer the individual's entitlement to Disability Living Allowance to an entitlement to Child Disability Payment within 13 weeks of the date of the notice (the individual will be notified when the determination is made and informed about their award and start date of Child Disability Payment), and
 - (iii) the individual's award of Disability Living Allowance will cease immediately before the award of Child Disability Payment begins.
- (3) Where a notice under sub-paragraph (1) is given in error where the individual is neither—
- (a) ordinarily resident in Scotland, nor
 - (b) an individual who is habitually resident in an EEA state, Gibraltar or Switzerland and has a genuine and sufficient link to Scotland,

the duty on the Scottish Ministers in paragraph 9(1) does not apply.

(4) Where sub-paragraph (3) applies in respect of an individual and a determination under paragraph 9(1) has not been made, the Scottish Ministers are to notify the individual that the duty on the Scottish Ministers in paragraph 9(1) does not apply.

Determination without application of entitlement to Child Disability Payment

9.—(1) The Scottish Ministers are to make a determination without application in respect of a transferring individual of that individual's entitlement to Child Disability Payment.

(2) Entitlement to Child Disability Payment under a determination under sub-paragraph (1) begins on the date specified in the notice of determination given to the transferring individual in accordance with section 40 of the 2018 Act.

- (3) The determination under sub-paragraph (1) is to be made on the basis of—
- (a) such information as the Scottish Ministers have received from the Secretary of State for Work and Pensions in respect of the transferring individual's entitlement to Disability Living Allowance, and
 - (b) any other information available to the Scottish Ministers that appears to them to be relevant.

(4) Subject to paragraph 11, a determination under sub-paragraph (1) must be made on the basis that the transferring individual is entitled to the components and rates of Child Disability Payment that are equivalent to those components and rates of Disability Living Allowance to which the individual was entitled immediately before the date of transfer.

- (5) A determination under sub-paragraph (1)—
- (a) may be made on the assumption that whatever can be discerned about the transferring individual's circumstances from the information mentioned in sub-paragraph (3) remains accurate on the date on which the determination is made,
 - (b) notwithstanding the generality of head (a), is to be made on the assumption that the conditions relating to residence and presence set out in regulations 5 to 9 (residence and presence conditions etc.) are satisfied in the individual's case, and
 - (c) must be made not later than 13 weeks after the date of the notice under paragraph 8(1) unless the Scottish Ministers have—
 - (i) good reason to extend that period,
 - (ii) agreed the period for extension with the Secretary of State for Work and Pensions, and
 - (iii) notified the transferring individual of the extension and the reason for it.

Effect of determination on entitlement to Disability Living Allowance

10. Where a determination is made under paragraph 9 that the transferring individual is entitled to Child Disability Payment, the transferring individual's entitlement to Disability Living Allowance will cease on the date their entitlement to Child Disability Payment begins.

 - (i) the lower rate of the mobility component of Child Disability Payment where the individual was not entitled to the mobility component of Disability Living Allowance, or
 - (ii) to the higher rate of the mobility component of Child Disability Payment where the individual was entitled to the lower rate of the mobility component of Disability Living Allowance.

Effect of legal custody on payment of the mobility component
