Dear The SEA Gateway

Environmental Assessment (Scotland) Act 2005: Section 8(1) Screening
Fireworks Secondary Legislation

Statement – Screening Determination

I refer to the screening report prepared for the Fireworks Secondary Legislation, which was submitted to the SEA Gateway on 21/12/2020. Responses from the Consultation Authorities were received on 18/01/2021, whose overall opinion confirmed there is a no likelihood of significant environmental effects.

I am writing on behalf of the Directorate for Safer Communities to confirm that the Scottish Government has determined, using the criteria set out in Schedule 2 of the Environmental Assessment (Scotland) Act 2005, that the Fireworks Secondary Legislation is not likely to have significant environmental effects. A Strategic Environmental Assessment is therefore not required.

I enclose a copy of the determination advert which will be placed in The Herald and Edinburgh Gazette. I would be grateful if you could forward this to the SEA Consultation Authorities.

Please do not hesitate to contact me should you require any further information.

Yours sincerely,

Eilidh Smith
Building Safer Communities

Environmental Assessment (Scotland) Act 2005: Section 8(1) Screening Determination

Fireworks Secondary Legislation

The Scottish Government has determined that the above regulations is not likely to have significant environmental effects and that a Strategic Environmental Assessment is therefore not required. The screening determination can be viewed at: [Firework Review Group - gov.scot \(www.gov.scot\)](http://www.gov.scot) in the interim and will subsequently be available on SEA Screening Determination webpage.

A copy of the determination can be obtained by emailing SEA_Gateway@gov.scot or by telephone at 0300 244 4000. Written requests should be addressed to SEA Gateway, Planning and Architecture Division, 2F South, Victoria Quay, Edinburgh EH6 6QQ.
