

# HIGH STREET, GLASGOW

**SITE:** High Street, Glasgow

**DEVELOPER:** Get Living & Stallan Brand

**LOCAL AUTHORITY:** Glasgow City Council

**BUILDING TYPE:** new residential neighbourhood.

**UNITS:** more than 700 homes for rent on a 7.5 acre site, including a new public square, 99 student units and c.3,365sqm of retail, leisure, food, drink and commercial business space.

**FACILITIES:** tbc

**CONCEPT:** the development will connect the Merchant City through High Street and into the East End, via three new tree-lined streets. Looking to bring the area back to life, tying it to the city centre.

## PLANNING ISSUES:

**Opportunities:** placemaking; investment; creation of a new city neighbourhood.

**Challenges:** flat sizes and configuration—single aspect.

**PROGRESS:** aim to commence construction of the entire project in a single phase, late 2018.
