

SCOTTISH SCHOOLS ADOLESCENT LIFESTYLE AND SUBSTANCE USE SURVEY - EAST RENFREWSHIRE

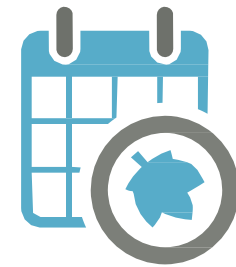

The Scottish Government
Riaghaltas na h-Alba

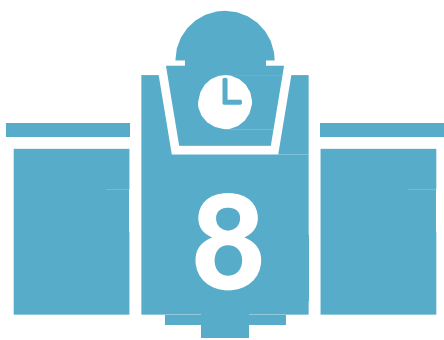

INFORMATION SHEET 2013

SALSUS provides local authority measures of progress every four years towards **Scottish Government** targets for **Smoking, Drinking & Drug Use**. It really is important so **thank you** for taking part.

SALSUS has been running since **1982**, initially collecting information on smoking habits. Drinking trends have been measured since **1990** and drug use trends since **1998**.

Next wave providing **local authority level** data will be in **Autumn 2017**

number of **schools** who took part in **2013**

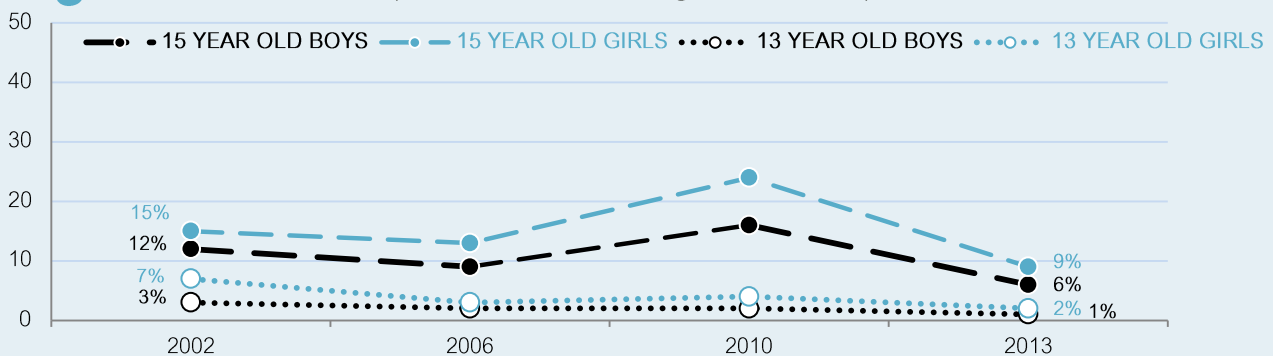

number of **pupils** who took part in **2013**

59%

of all **S2 and S4** pupils in East Renfrewshire surveyed

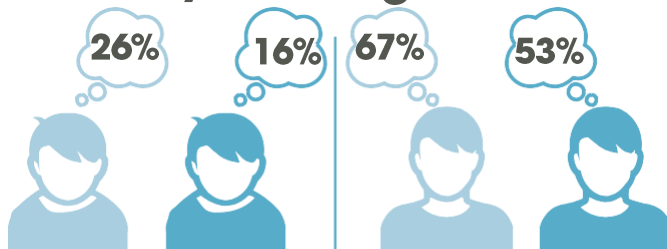

% regular smokers (smoke at least one cigarette a week)

% who think it is ok to try smoking

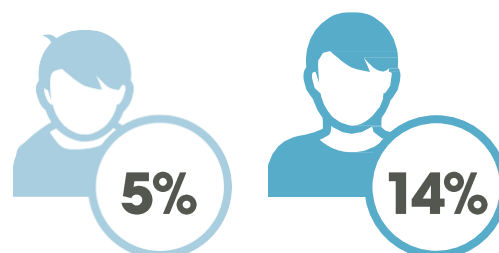

2010
2013

13 year olds

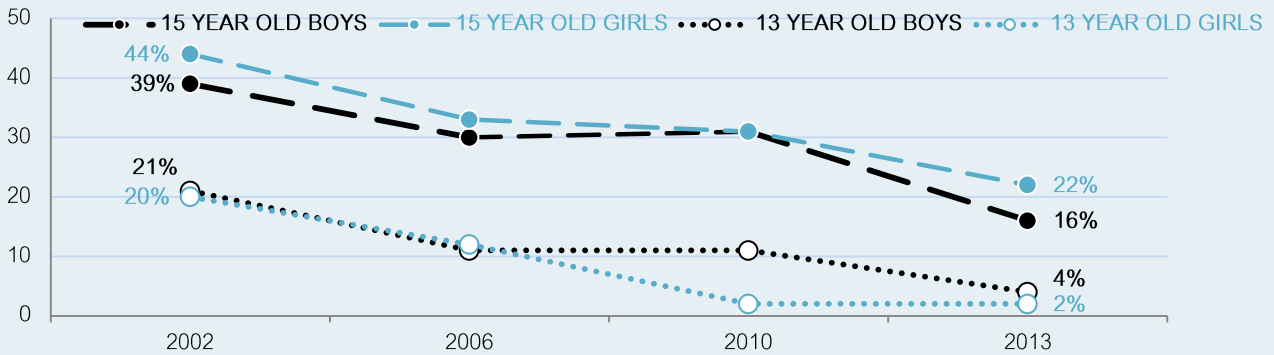

15 year olds

% who have ever tried an e-cigarette, even once

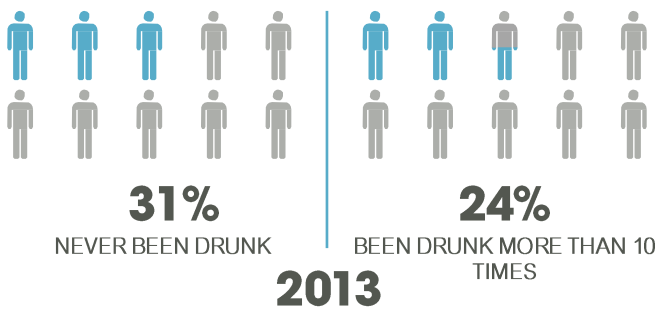

13 Year Olds
15 Year Olds

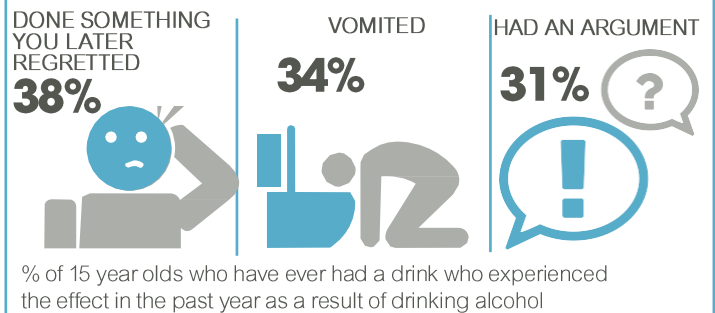

% who drank alcohol in the last week

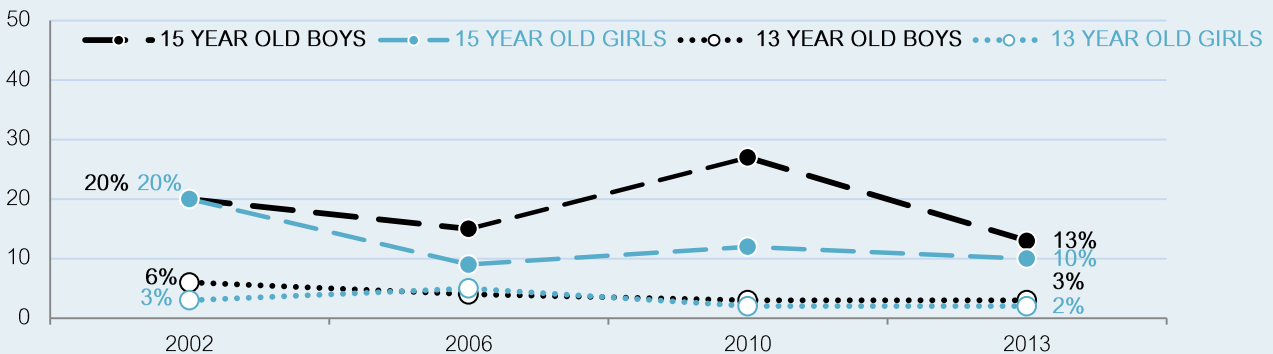

% of 15 year olds, who have ever had a drink, who have...

Effects of drinking alcohol

% who used drugs in the last month

3 most commonly used drugs in the last month

% of all 15 year olds who have used each drug in the last month

Effects of drug use
