

2022 Local Government Candidate Diversity Questionnaire

Data on who stands for election to Scotland's councils is currently very poor. This questionnaire includes questions on diversity characteristics, previous experience and any caring responsibilities you may have. Gaining a better understanding of who stands, and who is elected, is important for a wide range of reasons. Further information is provided in the accompanying information leaflet, which is also available online at www.gov.scot/collections/diversity-in-political-representation-in-scotland/.

The survey is **not a mandatory part of your nomination paperwork**, but we would be extremely grateful for your participation so that the data gathered provides as complete a picture for this election as possible. It should take **no more than 5 minutes to complete**.
