Subject: Easdale Island Harbour

Dear Sir/Madam

Please see attached letter describing what I believe to be a dereliction of responsibility with regard to Health and Safety concerns at Easdale Island Harbour. I hope you are able to inspect the harbour and harbour area and intervene, not necessarily in a punitive way, but in a manner that reminds the board members of the local charity of their responsibilities and of good practice in relation to their health and safety.

I realise that some of this may lie outwith your area of responsibility and expertise. I would therefore ask that you share these concerns with other agencies as necessary.

I am happy to provide further information if required.

Best Regards
