Dear Sir/Madam,

Marine Scotland has received complaints regarding the current condition of pontoons located in Easdale Harbour. On review of the marine licences in the area, I note that you have an active licence (reference number: 05614) for pontoons. As such, can you please provide photographic evidence of the current condition of the pontoons in the harbour. It is worth noting that under condition 12 of your marine licence, *"The licensee shall ensure that the works are maintained at all times in good repair"*.

[REDACTED]

Many thanks in advance for your cooperation in this matter.

Kind Regards  
Jessica
