Subject: T.S.C.O.NIGHTSHIFT REPORT 04/03/17

[REDACTED]

I had to get APR ,
M8 eastbound and westbound to switch traffic onto the new alignment and open the Newhouse on slip roads at 03:20
there first cone installed was 20:00 there last cone installed was 21:00, there vehicles were two ipv ,three pickups and one 7-5toner
there first cone removed was 04:00 there last cone removed was 06:50

[REDACTED]

[REDACTED] had two Maintenance crews working on M74 and A725 doing there maintenance duties,

[REDACTED] had three maintenance crews out tonight sorting cones checking lamps changing batteries and sorting safety as well as washing cones, one of the three had to stay on the contraflow at Eurocentral on thea A8 westbound,
