Dear Prime Minister

On behalf of the Scottish Government, I would like to congratulate you on your party's triumphant win at Canada's federal election and your appointment as Prime Minister.

The historic and enduring relationship between Scotland and Canada is a priority for the Scottish Government and we look forward to working with you and your party to strengthen our significant and numerous links.

As one of many Canadians of Scottish descent, your connection to and future relationship with Scotland will be welcomed.

Very best wishes
Nicola Sturgeon
