Good afternoon all

Many thanks again for your time and positive input at our meeting last Monday.

Please find attached a note that hopefully captures the key points raised and the actions agreed.

I would appreciate if you could review and:
- feedback on anything missed or wrongly interpreted
- consider the actions identified and confirm any next steps/action that you propose to take in relation to these

- review the document attached under Action 4

Once everybody has had the opportunity to consider and feedback, we can look to formalising where we go next and develop a remit for the group going forward.

Many thanks again

GP
