Hi [REDACTED]

I hope you are well? Following up on our conversation I want to introduce you to [REDACTED] from the Scottish office. I am on leave from today until Thursday next week so you can contact [REDACTED] in relation to the breakfast next Friday. I sent you a text earlier with the timings also.

Hope you have a lovely Easter.

For info

Below, by way of a plan B should any of our priority engagements fall through.

[REDACTED] should also be added to our list of attendees for the business breakfast, and has promised to suggest some other companies it would be good to get along to that. Worth chasing him next week.

Was thinking about Mike's visit to Cork and the fact you will be there.

As the programme takes shape, and depending on time, do you think a visit with Rubicon would be workable? You are a company that really embodies the Scottish/Irish economic link - worth marking.

Could bring him to your offices, or do a site visit together. Brief him on the companies work and its journey and talk about the IBNS (soon to be ISBN :-))

What do you think?

For info folks,

As things stand, the following are fixed.

20th April

Arrival Cork Airport - 1435 from Edinburgh

Meeting with Lord Mayor – 1600

UCC dinner at the Kingsley hotel - 1915

21st April

Meeting with president of UCC – 1000

IACES Lecture and event – 1100 – 1300

Meeting with Micheal martin – 1430

Leaves us with gaps at 1700 on the 20th, for breakfast on 21st (possibly also a meeting at 0900 that morning), and at 1300 on the 21st.

We need to have as much of this nailed down by Thursday as we can.

Rob – we have options, but need responses from Cork chambers and the airport. Sensible thing to do is have the meeting with Cork Airport Authority and any tourism business up at the airport at 1600 – he then gets straight on his flight (1835 departure).

Good to speak just now.

As I said, our Minister for the UK Negotiations on Scotland's Place in Europe, Mike Russell, will visit Cork on 20/21 April.

Mike has been invited by UCC to deliver the annual IACES lecture on the morning of 21st April. He will arrive in Cork from Edinburgh mid- afternoon on the 20th and will depart from Cork airport early evening on the 21st.

At the moment the only engagements we have fixed are a courtesy call on the Lord Mayor of Cork at 1600 on the 20th, and the event at UCC, which is scheduled to run from 1030 – 1300.

As I said, I wanted to extend your party Leader the courtesy of letting him know that Mike is in his constituency on those days, but also to ask if he would have any time during those days for a meeting with Mike.

Look forward to hearing from you,

Best wishes,

██████████,

The breakfast is booked in the Kingsley Private Dining Room for Friday 21st April 7.30-9am. Continental breakfast.

I enquired about rooms but the girl said she couldn't see us on the corporate list and quoted 225 euros per room (!). There are rooms available there for 160 euros online. I haven't booked anything as yet. Chloe, Redfern were quoted 116 euro yesterday so it might be the best option?

Thanks for your speedy reply, that all sounds positive, thank you. I think the commercial angle fits in perfectly with the purpose of the visit, so that's a great suggestion.

Is there a capacity limit on the meeting room? The Minister will likely want either his PS or a couple of officials (including either me or my boss, [REDACTED]) in the room so I just want to manage numbers from this end and then can confirm names with you.

The PM's announcement shouldn't impact anything but we will, of course, keep you in the loop and it may well come up in conversation on Friday.

Looking forward to the visit!

Hi [REDACTED]

I had a nice weekend thank you for asking and likewise I hope you enjoyed the holiday.

Our MD is away this week and will not be back for the meeting on Friday. He is keen that the meeting go ahead and suggests that we can arrange a follow up with the Minister in Scotland if that would be useful.

On Friday I will be available with my Colleague, [REDACTED], who is our head of Retail and Commercial and we will have a meeting room available in the Terminal. If you call me prior to arrival we can meet at the Information desk.

I see that your Prime Minister has called an early election. Let me know if that that impacts on availability for yourselves.

Hi [REDACTED]

Thanks to you and [REDACTED] for taking the time to meet [REDACTED] and [REDACTED] yesterday. I really appreciated the very frank and open nature of the discussion – and found his day in Dublin really valuable. As [REDACTED] settles in to my team – a meeting like yesterday's is great experience.

You might already have heard that our Minister for UK Negotiations on Scotland's Place in Europe, Mike Russell, will visit Cork on 20/21 April. He has accepted an invitation from UCC to deliver the annual IACES lecture on the morning of the 21st. We intend to develop a wider programme for the Minister, all based in Cork.

As part of that wider programme, I hope to arrange some political engagement for my Minister – Thursday pm and Friday perhaps offering that opportunity for Cork based TDs.

A priority would be to scope out availability for your Minister Dara Murphy on those days.

I wanted to make sure you were aware of this visit right away. Please do let me know if you would prefer that I go direct to Mr Murphy's private office with the request, or would you prefer to handle it with them?

Very best wishes

The lecture content looks great. The IACES/Cork audience will be particularly interested in the Minister's views on continued links with Scotland post-Brexit.

We have made arrangements to host a private dinner on the evening of Thursday 20 April in the Kingsley Hotel (which is about a 10 minute walk from UCC). As suggested, we propose to host a drinks reception at 7.15pm followed by dinner at 8pm. I attach a draft invite list. Some of the Dublin-based invitees may not be in a position to attend, but we feel there is merit in including them on the invite list. Please feel free to comment on the list and to suggest additional invitees, or you may feel that the list is too large? We are happy to take guidance.

By all means, do go ahead with plans to meet Dara Murphy. We will be inviting the Minister to the dinner and lecture separately.

My colleague [REDACTED] will be working with us and looking after the logistics for this event. Please feel free to liaise with us both.

One final query, can we go ahead and begin to advertise the event through email, twitter and the IACES website? We are keen to publicise the Minister's visit as soon as possible and would like to begin doing so on Monday.

Thank you again for your support. We are very much looking forward to welcoming the Minister to UCC and Cork.

Alasdair Mac Colla Chiotaich MacDhòmhnail is probably the most famous Scot to have been killed in action in Ireland, he had fought with Montrose during his campaigns there in the

Parliamentarian Army. The Confederates, who had been bolstered by a force of Scots under Alasdair MacColla MacDonald, brought c. 7,000 men to the field. Although Inchiquin had fewer men, his troops were better armed, with more carrying muskets than their opponents[iii]. The Confederates formed up on the hill itself, with the Parliamentarians lining up about 600 yards away[iv]. In the fighting that followed, Inchiquin drove back the Confederate left and centre, but in turn MacColla's Scots on the right succeeded in putting the Parliamentarian left to flight. However, the decisive moment came when the Scots became bogged down in looting the Parliamentarian baggage train, allowing Inchiquin to organise a force to send against them and complete his victory[v]. There was little mercy shown to defeated soldiers in Ireland during the 1640s. The majority of deaths usually occurred once one side broke and ran– the slaughter up and down the Cork countryside following Knocknanuss was recounted by Inchiquin:

“...though we were killing till night, as fast as we could, yet we found two or three hundred the next day in the woods, as we were viewing the bodies, but could not possibly get any exact account of the number slain; for after I had an account of more than 2000, that the pursuing parties slew in their several walks, I was informed of many hundreds that were slain in divers other places, so as our men believe there were not less than five thousand slain, but I do not think it possible there could be above three thousand...”

Thank you for your email. I attach a draft running order. This can be moderated, so please feel free to suggest changes.

Dinner invitees were asked to RSVP by tomorrow at 5pm, so I should have a complete list by Tuesday (Monday is a bank holiday here).

The lecture is open invitation so we have no real way of knowing what participants will attend. However, we will endeavor to get an indicative list to you early next week of those who have formally signed up. I trust this is satisfactory.

I hope this finds you well. I am based at the Scottish Government Innovation and Investment Hub in Dublin. Our Minister for the UK Negotiations on Scotland's Place in Europe, Mike Russell, has been invited by UCC to deliver the annual IACES lecture on 21 April. While in Cork he is keen to engage have a strong programme of engagements with Cork leaders – and wants to ensure that – diaries permitting - one of his first engagements is with the Mayor on the afternoon of 20 April (possibly around 4pm?)

Would the Lord Mayor be available at this time?
