

Route:- A86 Inverroy to Spean Bridge

Issue:- Request for footpath

Case reference: -

Q1 To be completed for all cases

Have you been made aware of this issue previously	Yes	No
If yes please complete below otherwise go to Q2		
When were you first made aware of this issue? (month and year issue first raised)		
Have you been in contact with the correspondent previously?	Yes	No
If yes, Please provide details of previous contact (date and form of contact e.g. letter telephone call etc)	Date	Form of contact
Please provide details of any actions undertaken to address this issue previously		
If no action/ action pending please provide reasons		

Q2 To be completed for new concerns

<p>What actions have you undertaken to investigate this including dates? Review of existing pedestrian provision:</p> <p>Between Inverroy and Roy Bridge there is a narrow surfaced footpath separated from the carriageway for most of its length by a filter drain.</p> <p>Between Inverroy and Spean Bridge there is no pedestrian provision. This 2.8km length of the A86 has a number of bends signed with chevrons, several box beam barriers, drainage offlets and lengths of narrow verges.</p> <p>Both Roy Bridge and Spean Bridge have their own Primary Schools and there would appear to be no reason for children to have to walk from Inverroy to Spean Bridge for schooling.</p>	Date
Please tick the outcome you believe to be relevant	Tick

Operating Company Correspondence Template 2016

We do not believe there is an issue (while there is no current footpath, to provide one would involve substantial engineering works, land purchase and costs a substantial sum of money).	✓
There is an issue and this has been fixed	
There is an issue and planned to be fixed (date)	
There is an issue but believed to be a third party responsibility	

Q3 Details of actions undertaken

What were your actions and any further planned actions with timescales	Date

Q4 Any other useful background information?
