Unique Events will contact you next week to advise pick up time and return time to school and will provide all other details for your participants.

For this Official Event we require details of all participants to be provided in advance in order that security checks can be undertaken. Would you mind confirming by close of business on Monday:

I attach an excel spreadsheet to assist with this.

Many thanks in advance.

Good morning,

In advance of your pupils and staff taking part in the in the Queensferry Crossing Day Out and various other events around the opening of the Queensferry Crossing please find attached our Lesson Plans. They are written for CfE Level 2 however can be adapted by teachers to suit other levels. This may assist any teachers who are intending to cover bridges and engineering prior to or after, their pupils attending this once in a lifetime event.

Just to summarise the events that we are inviting you to:

**Sunday 3<sup>rd</sup> September – Queensferry Crossing Experience**

You have been allocated 30 tickets in total to participate in this event. Now that we have arranged a day for the whole school to attend on Tuesday 5<sup>th</sup> September you may wish to allocate the 30 Sunday tickets to your PTA or to other staff or helpers who you feel should be rewarded for helping your school.

**Monday 4<sup>th</sup> September – Queensferry Crossing Official Opening**

Headteacher plus 1 invited to the official opening at Rosyth Arena

A total of 24 people – teacher, helper and pupils from p5-p7 to attend the official opening at the south end of the Queensferry Crossing. Our events company will be in touch with you this week to confirm details and transport arrangements for your group. They will require names and date of birth for every person in this group. Buses will be provided for this event.

**Tuesday 5<sup>th</sup> September – Queensferry Crossing Day Out**

We have already advised you of the total number of places available for your entire school - pupils, staff and helpers to have the opportunity to walk on the carriageway of the Queensferry Crossing prior to it opening up to traffic. Transport Scotland will pick up the costs for all transport for this event.

Please note that we are contacting your associated nursery school separately to try to ensure as many nursery pupils and staff as possible can also have the opportunity to participate in the Queensferry Crossing Day Out.

We will be touch very soon with the additional information and instructions required.

We look forward to welcoming you and your school to the events over the coming weeks.
