Let's go for it. Can I bring 8 more but just the 2 adults already in place. 30 children and 2 adults would be an acceptable ratio for us if you're happy with this too?

This is a long shot however Echline Primary will only be using 10 seats on the bus for Mon 4th South side. If you can, please feel free to bring along additional people. If not, please don't worry. I just wanted to offer then to you.
I have managed to get another school to fulfil the Dalmeny Primary seats.

Best regards

Hi [REDACTED]

I would love to say yes but we don't have the capacity to organise this – we already have 6 adults out of school on this day attending the two different events.
I hope you find another school.

Thank you,

I have had a polite decline from another local school. Would you be in a position to allow an additional 25 to attend (pupils/adults total)?

I think you should bring a printed version of your list as it will assist with boarding the bus.

Thanks [REDACTED] – this is really helpful. Do we need to bring a register of the children's names and DOBs?

Many thanks to you for agreeing to double up the numbers at each school with this very short notice. You have saved me a lot of extra work!

I hope they all enjoy this experience.

Good afternoon [REDACTED]

Further to my email below I have had a polite decline from Park Road Primary and from St John's Primary. Therefore, we have a bus spare and wondered if you would be in a position to bring 49 people from Inverkeithing Primary and 49 from North Queensferry Primary. We would schedule both as separate pick-ups at 9.00am. Can you please advise as soon as possible in order that I

can reschedule buses or offer this to another school if it is unsuitable or too short notice for your schools.

Many thanks
