Dear [redacted],

My name is Dana Zolkina, I am a producer at the Radio Sputnik World Service, Moscow.

We discuss in our live program Wales and Scotland to formally lay down a challenge to Theresa May's Brexit plans this week, warning she risks a constitutional crisis if changes are not made. Governments in both nations are expected to officially submit documents

confirming their intention to withhold consent for the Prime Minister's approach to EU withdrawal unless it radically alters.

Could we please ask you to share the opinion with us (5-8 min) about this over the phone at almost any time in between 9 am and 15 pm UK today or tomorrow? I will be happy to offer you a suitable live slot and send you the interview questions.

Looking forward to hearing from you,

Sincerely yours,

[redacted]
