Dear, [REDACTED]

It was indeed great meeting you.

As promised I am also attaching the energy outlook which is a view from ExxonMobil into what the future forecasts are in the energy space.

Please if you have any questions would be happy to try and accommodate.

Hopefully you find it interesting.
Regards,

Subject: Caledonia LNG

Dear [REDACTED]

Thanks for your time yesterday. We hope that you found the update on Caledonia LNG interesting.

Things are developing quickly and we are working on a number of fronts, so there was a lot of information to download! If there are any outstanding questions please let us know.

As promised, a brief description of the BSE Gas Supply Vessel, (GSV), is attached for your information.

With best regards,
[REDACTED]
