

Date	Who was Involved?	What Happened?
23/09/11	Near Miss	Cut finger whilst removing folder from document cabinet
05/10/11	Near Miss	Partial rotation of articulated dumptruck trailer.
17/10/11	Near Miss	Damage to water pipe adjacent to Inchgarvie House
09/11/11	Incident	Tripped going upstairs.
15/11/11	Incident	Cup cracked when washing it and cut finger
22/11/11	Near Miss	Dropped several 6m plastic ducting pipes
22/11/11	Incident	Cleaner tripped over the tripod legs on floor.
01/12/11	Incident	Trip whilst walking on uneven ground
06/12/11	Near Miss	Damage to racing marker.
08/12/11	Near Miss	Tree damage to roof of St Margarets Hope Lodge Building.
08/12/11	Near Miss	High winds blew damaged tree onto public highway.
19/12/11	Near Miss	Streetlighting cable damaged with excavator bucket
13/01/12	Near Miss	Loss of grip with spudleg led to short period of the vessel drifting
07/02/12	Incident	Slip on iced carpark surface.
07/02/12	Incident	Slip on iced carpark surface.
14/02/12	Near Miss	Vessel contact with Beamer Rock
16/02/12	Near Miss	Windblown damage to sheet from Workshop
16/02/12	Incident	Fencing subcontractor struck waterpipe
28/02/12	Incident	In moving a lighting towerlight tower the foot was run over.
29/02/12	Incident	Caught finger in door of cupboard.
01/03/12	Incident	Over on ankle whilst walking on ground
12/03/12	Incident	Moving tree stump grazed shin.
17/04/12	Near Miss	Vessel struck socket formation
17/04/12	Near Miss	Tug in navigation channel
19/04/12	Incident	Exiting cabin in the yard - went over on ankle on doorstrip.
02/05/12	Incident	Skin cold damage.
02/05/12	Incident	Skin cold damage.
07/05/12	Near Miss	Loss of spudleg from barge
08/05/12	Near Miss	Generator - compressed air line hose failure
12/05/12	Near Miss	Damage to concrete pump pipe line.
12/05/12	Near Miss	Damaged hose to concrete pump
21/05/12	Near Miss	Manriding Basket
22/05/12	Near Miss	Anchor drop
02/06/12	Near Miss	Crane jib failure
04/06/12	Incident	Handling photocopier toner box cut finger.
06/06/12	Near Miss	Anchor loss from the Multicat Vessel
15/06/12	Near Miss	Non permit for footpath construction.
19/06/12	Near Miss	Noticed swollen left wrist noticed lifting bag from bin
05/07/12	Near Miss	Rib damaged against a vessel at S1 then became lost in foggy conditions
06/07/12	Incident	Whilst moving from rib vessel onto jack-up ladder hit thumb.
09/07/12	Incident	Fell from machine step side of back made contact with the machine
10/07/12	Incident	Minor cut to joiners nose which bumped into spreader beam for shutter
12/07/12	Near Miss	Damaged windscreen to the concrete pump
26/07/12	Incident	Slip and fall on pad eye whilst mooring.
01/08/12	Incident	Minor cut to joiners finger tip as it grazed the saw blade
01/08/12	Near Miss	Tugboat had minor collision with barge
07/08/12	Near Miss	During refuelling of the petrol generator there was a small fire on board a
07/08/12	Incident	Non work related injury - pulled muscle.
08/08/12	Incident	Sprained wrist when pushing a step ladder
08/08/12	Near Miss	Hose came off compressor
13/08/12	Near Miss	Vessel collision resulting in damaged ladder.
16/08/12	Near Miss	Dredger vessel minor collision jack down close to vessel
05/09/12	Incident	Slip on wet floor.
09/09/12	Near Miss	Pyrogen System activated control for engine overheating
11/10/12	Incident	Small cut to back of hand when it struck a door
16/10/12	Incident	Slip on muddy surface sprained ankle.
16/10/12	Near Miss	Navigational marker light struck by vessel during barge movement, causing
18/10/12	Incident	Dust on a sample bag come off and went into eyes

18/10/12	Incident	Whilst lifting chains the person struck his jawline with them.
18/10/12	Near Miss	Whilst tying roles an individual fell over into water at pontoon P berth.
27/10/12	Near Miss	Existing water pipe in abandoned water service pipe was cut Forth Ports
12/11/12	Incident	Setting a jack in place on TW Platform, the individual stumbled forward and
19/11/12	Incident	Steelfixer small cut to left eye lid, as a result of a dropping bar bouncing up
04/12/12	Near Miss	While walking on pre-cast concrete walkway the individual went over on ankle
05/12/12	Near Miss	Telehandler transporting through the Batch Plant stuck the overhead cable
06/12/12	Near Miss	During concrete pumping operations the rubber line burst
08/12/12	Near Miss	Concrete barge moved causing 3/4" line to break
13/12/12	Near Miss	Tug crossed over anchor wire of Robin S during departure.
16/12/12	Near Miss	Damage to bottom of vessel when it hit object in water
21/12/12	Near Miss	Tripped into open hatch outer perimeter of barge
07/01/13	Incident	Walking to the work area the IP fell at ground level onto right wrist
21/01/13	Incident	While clearing a rock from the structure it slipped and hit the IP on the resting
26/01/13	Near Miss	Rib required anchor wire to be loosened to release the boat
27/01/13	Near Miss	Whilst tilting the anchor in the water to remove, the pad eyes broke off.
27/01/13	Near Miss	Vessel impact into 5A Buoy at entrance to Rosyth P Basin
08/02/13	Near Miss	Panel slipped whilst being offloaded from delivery truck
08/02/13	Near Miss	150mm scaffold tube within crane working zone.
09/02/13	Incident	Bargemaster slipped and fell on deck
09/02/13	Incident	Deckhand injured leg when cutting a cable-tie on deck
17/02/13	Near Miss	Damage to the Hemiksem winch wire to the thruster
20/02/13	Near Miss	Pulling cables through a pipe, back strain was recorded but no witness to
22/02/13	Near Miss	When extinguishing cigarette using foot, the toe made contact with a plant
28/02/13	Near Miss	As a result of movement due to swell from a passing vessel, the LR1300
06/03/13	Near Miss	Barge moved whilst 415V cable was attached to a generator
07/03/13	Near Miss	Excavator contacted and burst uncharted 90mm water main
07/03/13	Near Miss	Mobile concrete pump, line coupler burst at connection.
12/03/13	Incident	Skelf worked into the skin on the chest of joiner resulting in infected lump.
13/03/13	Incident	Welder set his jacket on fire but removed it without any physical harm
16/03/13	Incident	Whilst on patrol the guard opened the service door adjacent to the entrance
18/03/13	Incident	Weld burn to foot
20/03/13	Incident	Diver requested assistance when a bag caught on his leg.
22/03/13	Incident	IP was assaulted on site receiving small cut to cheek and bruising to arms
23/03/13	Near Miss	Yard Foreman tying ropes to quay wall bollards from vessel, twisted back.
01/04/13	Near Miss	Damage caused by crash between barge and approaching tug
02/04/13	Near Miss	Broken anchor wire
03/04/13	Near Miss	Cherry Picker moved causing damage to adjacent cabin on boat deck.
03/04/13	Near Miss	Dent to boom lacing due to wind/wave action
08/04/13	Near Miss	Barge moved due to tide and slack ropes pulling gangway into water
09/04/13	Near Miss	Work stopped - operators not wearing harnesses.
10/04/13	Near Miss	Flammable materials left in working area
13/04/13	Incident	Operative opened water pump hose connector and got wet
16/04/13	Near Miss	Smoking receptacle on fire, suspected lit cigarette end.
16/04/13	Near Miss	Cabin blew over in high winds
16/04/13	Near Miss	Access Pontoon to N1 Cofferdam broke free from moorings due to high winds
26/04/13	Near Miss	On vessel approach to S1 caisson the lighting stand made contact with the
29/04/13	Near Miss	While grinding a wall spool the operators rotated it onto his pinky.
29/04/13	Near Miss	Cladding panel unexpectedly moved whilst being handled using a mobile work
29/04/13	Near Miss	Ceiling tile dislodged from suspended ceiling grid in mens toilet.
08/05/13	Near Miss	As a result of cutting using a grinder the threads at the hem of the operatives
08/05/13	Near Miss	Damaged airlift pipe flange
09/05/13	Near Miss	Damage to the handrails section on the concrete barge
10/05/13	Near Miss	IP was placing slings on load of 6m airlift pipes when a pipe slipped and
14/05/13	Near Miss	Whilst placing the air breaker for use by the next operator, the chisel edge of
22/05/13	Near Miss	Welding generator dropped from the pallett of the lift truck as the forks lifted
25/05/13	Near Miss	Tug grounded on sandbank at low tide
26/05/13	Near Miss	Telehandler made contact with formwork in north wall yard
28/05/13	Near Miss	Gangway damaged as it struck the bollards of Osprey Carrier

31/05/13	Incident	Strain to upper left chest area - moving cleaning machine
10/06/13	Near Miss	Crane driver lowered the airlift pipe instead of raising it, and had to move out
12/06/13	Incident	Operatives foot caught under re-bar
13/06/13	Near Miss	Crane tracker damaged fire hydrant & water main over the service when
14/06/13	Incident	Injury to lower back, not reported on the day of the incident to FCBC, accident
21/06/13	Incident	Elbow cut when striking against sharp edge
25/06/13	Incident	Operatives foot struck by a piece of re-bar
26/06/13	Near Miss	Operative hit his finger with his hammer
28/06/13	Near Miss	Having delivered, & then removed metal cage welfare lockers into to his van
01/07/13	Near Miss	Slipped off a 150mm high sleeper when working at jetting operator to remove
01/07/13	Near Miss	Tug struck anchor wire trying to manouvre
02/07/13	Incident	Whilst handling re bar on his shoulder the operative felt dust enter his eye.
11/07/13	Incident	Operator digging trial holes felt pain in his back.
16/07/13	Incident	Operator hit finger whilst lifting wheelbarrow into skip
16/07/13	Incident	Operator leaned over into cube tank and lower back muscles went into
19/07/13	Near Miss	Chute supporting pin failed on concrete mixer causing the chute sections to
21/07/13	Near Miss	Trailer hit storage bins at Batching Plant
22/07/13	Near Miss	Concrete placing boom damaged when it struck the JD1 deck.
22/07/13	Near Miss	Smoking fuel when leaked fuel made contact with hot pump engine
22/07/13	Near Miss	Smoke seen to come from under contractors moving vehicle - melted cable
24/07/13	Incident	Cleaner, injury to right foot when wood panel fell from wall
30/07/13	Incident	Hit back on access scaffold when he stood up from crouched position
31/07/13	Incident	Welding flash burn to neck area when assisting welder
02/08/13	Incident	Cut to arm from contact with Hi-Rib lathe when unhooking chains
02/08/13	Incident	C-Plan excavator had bucket facing road as car approached, car driver
05/08/13	Incident	Injury to right leg and right forearm when foot went through steel re-bar
06/08/13	Incident	Injury to leg when scraped a scaffold tube on the barge
06/08/13	Incident	Twisted right ankle going through opening for Tremmie Pipe
08/08/13	Incident	Cut to lower left leg when walking on hi-rib
13/08/13	Incident	Skipper of Cabin. Rib fell into the water and was rescued by his passenger
13/08/13	Incident	Plant fitter slipped whilst exiting a truck cab striking his left knee on the truck.
15/08/13	Near Miss	Whilst lifting a MEWP, the machine tipped up and hit the counterweight &
24/08/13	Incident	Pump operator splashed by slurry
26/08/13	Near Miss	Scaffolders removed guardrail and left work area unsafe - potential fall
31/08/13	Near Miss	Container boat taking action to avoid collision with FCBC Cabin Rib.
04/09/13	Near Miss	IBC tank fell from forks of the FLT.
04/09/13	Near Miss	Cut/Abrasion to thigh, with stilt saw
06/09/13	Near Miss	Olympain Jib struck by frame during lift
09/09/13	Near Miss	Dropped tool from scaffold platform
10/09/13	Near Miss	Piling rig tracked over outlet branch of water main
17/09/13	Incident	Shoulder injury when emptying wheelbarrow into skip
17/09/13	Near Miss	Minor damage to cast in anchor
19/09/13	Incident	Grinder kick back stuck IP in mouth
20/09/13	Incident	IP went to step onto the pontoon, but stepped onto an umbilical by mistake. It
20/09/13	Incident	Cut to left index finger
21/09/13	Near Miss	MEWP drove onto soft ground resulting in damage to rebar
23/09/13	Near Miss	Plant operator noted crack along existing road verge, excavation stopped
26/09/13	Near Miss	Grantry crane damage to mobile elevated work platform
27/09/13	Near Miss	Fire damage to 10 number railway sleepers and other smaller timber
07/10/13	Incident	Operatives splashed with concrete from pump.
09/10/13	Incident	Sprained right ankle walking through car park
09/10/13	Incident	Spanner slipped whilst carrying out work, impacting the workers wrist.
14/10/13	Near Miss	Fixing Pad Eye for securing barge to cofferdam pulled off
20/10/13	Incident	The Operative was walking on top of the concrete slab when he slipped on
22/10/13	Incident	Concrete operative walked into slam valve bruising left knee
29/10/13	Near Miss	Untrained/ qualified operatives scaffolding tower
30/10/13	Near Miss	Vessel near collision with tanker vessel heading downstream
06/11/13	Near Miss	Vessel crossed path of Happy Bee vessel
11/11/13	Incident	When placing plywood, hammer swung and deflected on to hand

14/11/13	Incident	Overturning of a telehandler resulted in bruising
20/11/13	Incident	Slinger signaller was caught between trailer and telehandler outrigger post
22/11/13	Near Miss	Cut thumb using hand saw
01/12/13	Near Miss	Damage to protective bumpers and ladder rungs
01/12/13	Incident	Cut Finger from protruding nail on shutter
01/12/13	Near Miss	Welding Arc flash to eye
01/12/13	Incident	Slip, went over on ankle, on ethafoam surface at NT Caisson.
04/12/13	Incident	Strained back whilst tying barge rope at north wall
07/12/13	Near Miss	Whilst throwing rope over a beam the IP stumbled and went over on ankle.
07/12/13	Incident	IP slipped off vertical ladder whilst climbing down to crew boat
11/12/13	Near Miss	Whilst travelling down from height, boom appeared to lose power resulting in
13/12/13	Incident	During house-keeping/tidying activities the IP was moving steel into skips
16/12/13	Near Miss	Dropped object (rebar) withing pile casing
06/01/14	Near Miss	On leaving his car to report to work the driver tripped twisting his back.
09/01/14	Near Miss	Damaged lifting beam with jumpform panel attached
11/01/14	Incident	Magnets used to fix encapsulation sheeting were slipped off during the
11/01/14	Incident	Magnet fell and struck IP on shoulder and arm
16/01/14	Incident	Whilst removing flatbar on gangway the bar made contact with the operators
23/01/14	Near Miss	U' section of re-bar fell between decks
27/01/14	Incident	Sling failure while lift pile in cradle to reposition
28/01/14	Near Miss	Whilst using vibratory rolling on soft ground close to the edge the edge gave
28/01/14	Near Miss	Opportunity for improvements to lifting operation
06/02/14	Incident	Magnet fell onto welders head
07/02/14	Incident	Injured foot by pulling steel formwork shutter off another onto bridge of foot.
11/02/14	Incident	Man overboard whilst positioning tug into berth
11/02/14	Incident	Dust into eye while welding
13/02/14	Incident	Dust into eye
17/02/14	Incident	Use of incorrect lifting strops
18/02/14	Incident	Fitter cut two fingers
05/03/14	Incident	Slip & fall resulting in shoulder injury
07/03/14	Near Miss	Purloin failure in north launch tent.
10/03/14	Near Miss	Hammer fell between decks
11/03/14	Incident	During transfer of oil into a container the operator burned wrist.
11/03/14	Near Miss	Area not cleared prior to shotblasting.
14/03/14	Near Miss	Ceiling ventilation unit fell in mens toilet above urinal unit
14/03/14	Near Miss	Dropped handrail fell into water during lift.
08/04/14	Near Miss	Vessel clipped the anchor wire whilst passing
08/04/14	Near Miss	Jacking prop struck operator
10/04/14	Near Miss	Rebar slipped off excavator forks
12/04/14	Near Miss	Strand jack slipped off wooden support
26/04/14	Incident	During overhead grinding the disc kicked back making contact with face.
26/04/14	Incident	During plate slinging operations the operator tripped and fell over hitting the
01/05/14	Incident	Slip and fall landing on buttocks.
01/05/14	Near Miss	PDC plant trailer brakes failed causing it to roll into pick up
02/05/14	Incident	Dust into eye
03/05/14	Incident	Fell into water at quay to the rear of workshop
06/05/14	Near Miss	Tying wire punctured back of hand
07/05/14	Near Miss	Strand jack wire slipped from anchor
14/05/14	Incident	Twisted neck turning head with the dive helmet on
15/05/14	Incident	Lifting scaffold tube on barge deck twisted back
16/05/14	Near Miss	Rebar fell between decks
16/05/14	Near Miss	Overturn of JCB while traveling with suspended load
20/05/14	Near Miss	Object ejected across the quayside from a weld stopper
21/05/14	Incident	Knee burn due to kneeling on live cable
21/05/14	Near Miss	Handrail fell to caisson walkway
23/05/14	Incident	Puncture wound to right leg below the knee
26/05/14	Near Miss	Ratchet was dropped between decks
16/06/14	Incident	Pressurised pipe came free striking the operator on the face
18/06/14	Incident	Non work related - Joiner collapsed working on deck section - NW Precast

18/06/14	Incident	Operator caught between tower handrail and cable guide
25/06/14	Incident	Slip and fall on wet concrete surface causing shoulder injury
30/06/14	Incident	Whilst lifting internal staircase handrails strained groin
30/06/14	Incident	Whilst carrying out a manual lift IP strained his back
02/07/14	Incident	During refuelling operation hand was struck by door.
08/07/14	Incident	Pneumonitis following exposure to cement dust. Operator failed and then late
14/07/14	Incident	Found lying on the ground
15/07/14	Near Miss	BT cable damaged when removing boulder
16/07/14	Near Miss	Unauthorised work - Formwork Aleration
17/07/14	Near Miss	Damage to Street Lighting Cable
22/07/14	Near Miss	BT cable damaged during hand digging trial holes
25/07/14	Near Miss	BT cable damage at end of excavtion track by Morison Utility (sub to Scottish
28/07/14	Incident	Protruding tying wire punctured boot causing a minor injury to his foot.
31/07/14	Incident	Whilst manouvering basket through an opening the basket struck a brace,
05/08/14	Near Miss	Cut 3rd finger - right hand
07/08/14	Near Miss	Lifting operation stopped
13/08/14	Incident	Operator struck his own hand whilst hammering a wedge
15/08/14	Incident	Micro-fragment of metal in eye.
03/09/14	Incident	Pre existing knee twist injury re-occurrence in work place.
04/09/14	Near Miss	Plastic bucket fire
08/09/14	Incident	Left Index finger caught between gas bottle and cage
17/09/14	Incident	Transferring working material from the Causeway at S5 with the 180t crawler
17/09/14	Near Miss	Break Pin had been bent and found unserviceable, replaced
19/09/14	Incident	IP weight having stood on a handrail of an access platform caused the shutter
21/09/14	Near Miss	Moving a heavy chain for anchor wire when webbing sling ripped on wire.
24/09/14	Incident	Welder released a pin to the gas strut causing the housing cover to fall onto
24/09/14	Near Miss	Non work related pre-existing condition caused operative to collapse.
30/09/14	Near Miss	Dropped piece of steel object
01/10/14	Incident	Minor cut to palm of left hand.
06/10/14	Incident	Caught trousers/foot on protruding re bar causing IP to fall forward to the
07/10/14	Incident	Injured whilst cutting timber, using a circular saw
10/10/14	Incident	Operative fainted on site - ambulance attended and the operative was taken
11/10/14	Incident	Suspected sprained ankle
16/10/14	Near Miss	During tak-lifting operations contact was made with tower crane section.
17/10/14	Incident	Caught his finger whilst operating chain hoist.
19/10/14	Incident	Material in eye
23/10/14	Near Miss	Water Tractor reversed into an EDT Inspector vehicle
24/10/14	Incident	Trip and fall whilst escorted a delivery driver twisting knee.
27/10/14	Incident	Material in eye whilst working on jig frames
30/10/14	Near Miss	Deck tub load contacted with South Tower crane
30/10/14	Incident	Twisted Ankle
03/11/14	Incident	Operative left telehandler close to gantry crane track
05/11/14	Incident	Struck head on steel beam
05/11/14	Near Miss	During testing Gear Box / Transmission Box on crane failure.
09/11/14	Incident	Struck by object
09/11/14	Near Miss	Loose bolts discovered during inspection on collar / tie connections
11/11/14	Incident	Stepped on debris and twisted ankle
17/11/14	Incident	Operative indicated he felt unwell. Non work related ill health.
17/11/14	Near Miss	Crane mast on The Atlas made contact with the east pier, S4.
24/11/14	Incident	Minor cut to head
26/11/14	Near Miss	Re-bar dropped onto working area
27/11/14	Near Miss	Out of use staircase fell into water CT staircase was installed but not in use.
01/12/14	Near Miss	Halogene lamp toppled over whilst unattended and scorched the wooden
01/12/14	Near Miss	Joiner hammer fell within the internal access striking an operative below
10/12/14	Incident	Networks Operative struck by broken wind blown foam sign
10/12/14	Incident	IP jumped pedestrian barrier to access mini bus and twisted ankle
17/12/14	Near Miss	Crane jib contact with a lighting tower on Q Berth
17/12/14	Near Miss	Concrete spillage from shutters
05/01/15	Incident	Using a crowbar and hammer to remove plywood formwork the hammer

06/01/15	Near Miss	Tug caught & damaged anchor wire for Robyn -S
07/01/15	Incident	Cut to back of hand
08/01/15	Near Miss	Item dropped within the internal staircase of North Tower
08/01/15	Near Miss	Dropped chain.
08/01/15	Incident	Tower Light head dropped struck operator on arm.
09/01/15	Near Miss	Power outage on South Tower caused aviation lights on tower crane to turn
11/01/15	Incident	Whilst lowering ply to the level below the ply snagged causing a lift team
14/01/15	Incident	Fell within the internal access on South Tower.
15/01/15	Incident	Operative tripped at the pontoon joint then fell whilst walking from pontoon at
15/01/15	Incident	Sand blown in eye during instalation of cables. PPE was being worn.
15/01/15	Incident	Exposed to a 'flash' from an adjacent welding activity.
17/01/15	Incident	Pain at back of knee whilst manouvering in work area during re-bar removal
17/01/15	Incident	Foreign body entered eye between glasses and face from near by grinding
19/01/15	Near Miss	Dropped socket.
20/01/15	Incident	IP noted hands were cold after having lifted leg chains onto the bed of the
21/01/15	Incident	Back spasm having lifted a 10kg Trimle up to his team mate.
21/01/15	Near Miss	Tower Crane jib contacted the jib of pedestal crane on Atlas Barge
21/01/15	Incident	IP walked past the boats cabin caught hand on rebar - hand numb and cold.
24/01/15	Near Miss	Concrete discharge onto the pedestal crane cab, atlas barge.
30/01/15	Near Miss	Dropped shackle.
01/02/15	Near Miss	Electrical fire with wiring in right engine compartment
02/02/15	Near Miss	Structural cracking in tower false work towers.
04/02/15	Incident	Foreign body eye during grinding
04/02/15	Near Miss	Dropped object inside NT above deck level
11/02/15	Incident	Tripped over a steel beam
16/02/15	Near Miss	Tail of rope was lowered into exclusion zone where personnel had been
17/02/15	Near Miss	Retaining pin on steering control sheared resulting in loss of steering.
17/02/15	Incident	Operative slipped and fell forward whilst using a turfer jack.
18/02/15	Near Miss	Telehandler load struck parked van
23/02/15	Near Miss	Private cars directed through north wall yard quay and exmouth building
24/02/15	Incident	Operative suffered grazing to his legs whilst lifting gantry
25/02/15	Near Miss	Multi-cat crossed an anchor wire of The Stemar76 barge
02/03/15	Near Miss	Telehandler stopped close to operative with load and Forth Ports Clamshell
13/03/15	Near Miss	Dropped plywood onto doka formwork causing damage to formwork
17/03/15	Incident	Twist injury to knee- mild swelling to area the following day,
23/03/15	Incident	Whilst placing shim plate onto plinth the IP's finger got caught between plinth
23/03/15	Near Miss	Isabella struck S1 Caisson
25/03/15	Incident	GSS operative pinched tip of finger while handling rope
07/04/15	Incident	Foot slipped, when descending from a ladder resulting in a fall to ground -
07/04/15	Near Miss	Dropped scaffolding clip
08/04/15	Near Miss	Dropped rebar/formwork connector.
11/04/15	Incident	King Pin loops detached from the hook causing the load to drop impacting the
15/04/15	Incident	Operative dropped scaffold board on his foot
17/04/15	Incident	Operative tripped and fell on formwork on Isabela Barge.
21/04/15	Near Miss	Excavator digging out when ground gave way
28/04/15	Incident	Operative tripped over material and hit his face on scaffolding.
29/04/15	Incident	Operator cleaning rear lights using pressurised water ejected debris to
05/05/15	Near Miss	General rubbish below internal access of tower ignited due to hot works
08/05/15	Near Miss	Tower crane hook block contacted alimak hoist car
08/05/15	Near Miss	Forth fighter collided with windspeed jetty damage to briggs vessle
11/05/15	Incident	Dropped 'Nips' from his belt whilst climbing ladders
15/05/15	Incident	Taking ropes stepped back and stood on eye pad turned ankle
18/05/15	Incident	Bruised back of right hand while rigging gangway
18/05/15	Near Miss	Telescopic handler whilst offloading a stacked load tilted his forks and it slid
18/05/15	Near Miss	Transfer boat collided with BC6299, this then forced the gangway into the
26/05/15	Near Miss	Dropped object - rigging hook
26/05/15	Incident	IP was walking through the box girder towards the south abutment carrying
27/05/15	Incident	Scaffolder slipped off bottom rung of ladder
30/05/15	Incident	Rigger bumped his head when his hard hat fell off after tripping

04/06/15	Incident	IP held the hose onto the tip of the jet wash lance, as he actioned the trigger
04/06/15	Near Miss	Agricultural Trailer overturned
04/06/15	Near Miss	Cradle power outage causing person to be unable to exit the cradle for a short
07/06/15	Incident	Whilst walking on site suffered a minor impact on his shin. He did not report it
09/06/15	Near Miss	Crawler crane driver backed crane onto skip
10/06/15	Incident	Struck head on an opened window
11/06/15	Incident	Drill jammed in hole & struck operator to side of face
13/06/15	Near Miss	Concrete ejected onto tug
16/06/15	Incident	Operative tying signs on back of truck, rope snapped, Operative lost balance
16/06/15	Near Miss	Dropped Object
18/06/15	Near Miss	Utility strike. Cable not picked up by CAT scan, struck by excavator bucket
22/06/15	Incident	Operative stepped on a stud and twisted ankle while refueling
22/06/15	Incident	Engineer rubbed face/eye with back of gloved hand.
23/06/15	Near Miss	Minor damage to tipper lorry caused by 13T Roller
25/06/15	Incident	Operative hit middle finger whilst using a hammer.
26/06/15	Incident	IP was installing the construction stop end made using expanded metal hi-rib
26/06/15	Incident	The IP was blowing out the construction joint and as he rotated his shoulders
01/07/15	Near Miss	Dropped Object from road deck - landing on Laura M
11/07/15	Incident	Operative twisted his ankle.
11/07/15	Near Miss	Overheating 12v battery
15/07/15	Incident	Operative caught his wedding ring on a bolt at the rear of his transit
20/07/15	Incident	Whilst landing load the IP was holding the tag line and moving - he stepped
21/07/15	Incident	Operative hand trapped whilst attempting to dislodge concrete hose.
22/07/15	Incident	Engineer sustained cut to ear from breaking washer
27/07/15	Incident	Trapped thumb with steel wedge and bracing
29/07/15	Incident	Operative tripped and fell over rocks from concrete pump.
07/08/15	Incident	Cleaner suffered impact to shoulder during work.
08/08/15	Incident	Operative slipped on plyboard injuring ankle.
10/08/15	Incident	Operative suffered injury to knee - bucket swung round hitting knee
12/08/15	Incident	Trapped finger between concrete pump and pipe
13/08/15	Incident	Specialist Supervisor's middle finger became trapped between the jack clamp
13/08/15	Incident	IP sustained a blow to head from an alleged fallen object
15/08/15	Incident	VFM operative slipped on the stairwell o/s office
15/08/15	Near Miss	Failed concrete line
16/08/15	Incident	Whilst cutting cable tie IP cut thumb on follow through.
18/08/15	Near Miss	During a lift the load became unstable and fell into the water.
20/08/15	Near Miss	Welding cable shorted causing cable to overheat and smoulder.
24/08/15	Near Miss	Dropped object from formwork.
24/08/15	Incident	manual handling back injury
25/08/15	Incident	Delivery driver slipped whilst offloading
25/08/15	Near Miss	Gantry crane whilst lifting king pin collided with scaffold tubes stored
02/09/15	Incident	Steelfixer cut back of hand lifting rebar beam into place with others
02/09/15	Incident	Lacerated finger whilst working with re-bar
02/09/15	Incident	IP Sustained grit in eyes from above removing timber
02/09/15	Incident	IP was sweeping out the shotblast dust / medium from the scissor lift. He was
03/09/15	Near Miss	Walkway between marine vessel & Concrete platform damaged by vessel
03/09/15	Incident	Diesel spill operative sprayed with diesel (plus environmental issue)
03/09/15	Incident	scaffolder trapped his hand
05/09/15	Incident	Injured right ankle as ballasting operative turned on barge
05/09/15	Near Miss	Coil fell in the water
07/09/15	Incident	IP Sustained two puncture wounds from stainless tying wire
08/09/15	Incident	Steelfixer Tripped and fell
09/09/15	Incident	Operative injured back lifting Doka beam
10/09/15	Near Miss	Fire caused by a cigarette butt placed into a box full of waste at S8.
11/09/15	Incident	Operative cut left thumb with 4" grinder
22/09/15	Near Miss	Dropped ratchet strap (ratchet handle section)
25/09/15	Incident	Foreign body in the eye, after having removed goggles.
25/09/15	Incident	IP had small wooden splinter pierced skin on stomach area.
28/09/15	Incident	IP twisted ankle while walking on scaffold walkway

28/09/15	Near Miss	Dropped seafastner
29/09/15	Near Miss	Dropped object
29/09/15	Incident	Manual handling of material within tub section strained muscle
01/10/15	Incident	Slipped on external stairwell to office
01/10/15	Incident	Slipped on external stairwell to office
07/10/15	Near Miss	Dropped Object
07/10/15	Incident	Minor injury to finger - left hand
07/10/15	Incident	Operative stumbled agravating an existing ankle injury.
07/10/15	Incident	Operative injured hand passing scaffold tube
07/10/15	Incident	Operative stumbled hurting his ankle.
08/10/15	Incident	Opretive was holding a ladder when a chain hook struck his finger.
10/10/15	Near Miss	Concrete aggregate material blew out line and fell to road deck
12/10/15	Incident	Ip Sustained a cut to middle finger right hand from stanly blade
12/10/15	Incident	Cleaner tripped over ton bag and fell on grating
14/10/15	Incident	IP Sustained a small cut to forehead from scaffold tube striking him
14/10/15	Incident	IP stumbled over newly placed wood battons having left the toilet area.
19/10/15	Incident	Operative tripped on doka stillage, hurt left knee.
20/10/15	Incident	IP sprained ankle making his way to R Berth pontoon
20/10/15	Incident	In rotating the beam the IP's finger was caught between the beam and the
21/10/15	Near Miss	Dropped Object
21/10/15	Near Miss	Kingpost Cable Fell
21/10/15	Incident	Welder twisted back having stepped on shuttering
27/10/15	Near Miss	Lifting concerns
27/10/15	Near Miss	Flange plate sheared off osprey carrier during move south on nightshift
28/10/15	Incident	Operative, cut finger.
28/10/15	Near Miss	Caisson gangway on north tower damaged
29/10/15	Incident	Operative received minor cut to right leg
29/10/15	Incident	Tripped and fell impacting face on the deck.
29/10/15	Incident	Joiner suffered cut to his thumb
29/10/15	Near Miss	Suspension collapse on towed pressure washer
29/10/15	Near Miss	Stillage lost from lorry transport
30/10/15	Near Miss	Spillage of material.
01/11/15	Near Miss	Bearing slipped as it was being placed.
02/11/15	Near Miss	Bearing plate slid IP had to move out of the way.
03/11/15	Incident	Scaffolder fell from walkway grating
05/11/15	Near Miss	S1 Temporary Works, Positive connection on formwork.
06/11/15	Near Miss	Plywood signage board fell from underdeck level to barge deck
09/11/15	Incident	IP injured when lower part of gangway detached from podium causing him to
10/11/15	Incident	Slipped on the canterlever incline
11/11/15	Incident	JCB Operator slipped and fell jarring his back
12/11/15	Near Miss	Dropped Object
12/11/15	Incident	Grit in eye
12/11/15	Near Miss	Damaged power cable required rescue
16/11/15	Near Miss	Barge slipped anchor causing gangway to be damaged
19/11/15	Incident	Commenced a manual handling operation to move the sea fastening along
19/11/15	Incident	Retaining metal bar on portaloo door struck IP on the hand (left)
20/11/15	Near Miss	Fire caused by jacket being hung on the heater
23/11/15	Near Miss	Smashed window on crane
23/11/15	Incident	Minor Injury to left knee
23/11/15	Incident	Wind blew the window inwards whisl cleaner was cleaning urinal - struck her
24/11/15	Near Miss	Podium and gangway fell over
24/11/15	Near Miss	Defects with basket
25/11/15	Incident	Impact of Scaffold bar. Broken tooth
28/11/15	Incident	IP struck his head on a beam
30/11/15	Incident	Scaffolders caught between moving suspended load and metal frame
02/12/15	Near Miss	Excavator drove into forth ports tower
02/12/15	Incident	Cutting small steel wire armoured cable & in turn cut his finger.
09/12/15	Incident	Hammer struck finger on left hand
15/12/15	Incident	IP tripped over kerb after leaving bus towards cube entrance

15/12/15	Incident	IP tripped over on the rebar mat during deck pour
15/12/15	Near Miss	Uncontrolled release of tension cable down through HDPE pipe into Caission
16/12/15	Incident	Operative removed from S1 with severe stomach pains and dificulty
05/01/16	Incident	Operative has a rash on his forehead - cross contamination of cabling
08/01/16	Incident	Whilst stripping timber for re-cycling skip IP sustained minor injury.
08/01/16	Near Miss	Removal of VMS sign cables, nicked outer sheath whilst pulling
11/01/16	Near Miss	Utility Strike - cable with machine bucket
12/01/16	Incident	Whilst stripping out ply IP sustained minor cut.
18/01/16	Incident	Safety helmet impact whilst installing access gangway.
18/01/16	Incident	Tweak to back when using sledgehammer
18/01/16	Incident	The IP was removing the scaffold boards which made up the access steps for
18/01/16	Near Miss	Mechanical failure of crane
18/01/16	Incident	Tower crane operator medically evacuated, injured stomach muscle.
20/01/16	Near Miss	Lowering a load 1 x sling failed.
20/01/16	Near Miss	Uncontrolled release of tension cable down through HDPE pipe.
25/01/16	Incident	Deckhand injured foot
26/01/16	Incident	Operative seen throwing length of rebar from the deck onto the ground.
02/02/16	Incident	Operative struck by rolling HDPE pipe on leg
03/02/16	Near Miss	Damaged media duct but not cable
04/02/16	Incident	Installing unistrut working off scaffold. Unistrut slipped striking IP's helmet.
04/02/16	Near Miss	Dropped scaffold swivel clip
04/02/16	Near Miss	Welders working at Marine Yard but without any project procedure
07/02/16	Incident	Twisted ankle whilst walking across the barge and stepping over a beam.
08/02/16	Incident	When exiting scaffolding IP slipped on tub section falling and cutting shin
09/02/16	Incident	When the operative was walking towards the west face to bolt the joint one of
09/02/16	Incident	The operative was using a compressed air hammer and attempted to break
09/02/16	Incident	Walkway gratings within the internal decks before pre casting, these gratings
09/02/16	Incident	Length of tying wire flicked up from reel and injured his eye when it passed up
10/02/16	Incident	When strands are fed down through the lower anchorage, they are bundled
12/02/16	Incident	Operative hit head on a rail beam
15/02/16	Incident	Stripping shutter IP sustained an eye injury
15/02/16	Near Miss	Near miss with SPMT - (Self Propelled Modular Trailers)
15/02/16	Near Miss	Uncontrolled release of tension cable down through HDPE pipe.
16/02/16	Incident	Operative turned awkwardly whilst using ladder to access.
17/02/16	Incident	Manual handling injury. 2 joiners placing shutters for deck pour. IP has
17/02/16	Near Miss	Unidentified small metal object dropped from grating falsework into cassion
17/02/16	Near Miss	Tug-Carron made contact with the suspended tub section
22/02/16	Incident	IP walked into an unprotected dywidag bar
24/02/16	Incident	Operative struck on leg by load while unloading vehicle
25/02/16	Incident	Take away' hot soup spilled onto hand whilst opening door
25/02/16	Incident	Banged head against the corner of the window shutter
27/02/16	Near Miss	Two dropped objects from baskets
01/03/16	Incident	IP slipped and fell over moving gangway podium
02/03/16	Near Miss	Damage to handrail at pontoon
02/03/16	Incident	IP stepped off a vertical access ladder awkwardly, twisting his ankle.
03/03/16	Incident	IP was walking back to his vehicle in order to relocate it to the next area of the
04/03/16	Incident	IP walked into an unprotected length of rebar
04/03/16	Incident	IP had dust / grit in eye lifting slings above head
06/03/16	Near Miss	Fire on north tower due to hot works
08/03/16	Near Miss	Dropped scaffold clip
09/03/16	Incident	Operative fell through opening in between tubs
09/03/16	Incident	Operative evacuated to Hawes Peir due to chest pains. Not work related
14/03/16	Incident	Whilst cutting cable tray the IP sustained a fragment in his eye under his
15/03/16	Near Miss	Cable tray fell approx 3 meters. Fixed incorrectly.
18/03/16	Near Miss	Dropped strand
21/03/16	Incident	Using a stanley knife the IP cut his own leg.
21/03/16	Incident	Operatives fingers trapped in welfare door
21/03/16	Incident	A section of temporary works stored in an are toppled over striking the IP and
22/03/16	Incident	Operative strained back lifting HDPE Pipe on to Trestle.

23/03/16	Incident	During release of Doka formwork Dwyi bar a stilson wrench and a scaffold
23/03/16	Incident	Whilst kneeling down the IP sustained a puncture wound by tying wire to his
25/03/16	Near Miss	Dropped object - shackle
29/03/16	Incident	Operative finger trapped in between tub and cantilever formwork.
01/04/16	Incident	Marine controller became ill and collapsed in M/C room. Non work related.
05/04/16	Incident	Slinger / Signaller had radioed to the crane driver to start a lift, as the lift
05/04/16	Near Miss	New water main (not live) was struck installing carriageway drainage
06/04/16	Incident	Minor knock injury to arm/shoulder. First Aid turned down by IP
07/04/16	Incident	Foreign body in eye - glasses worn
08/04/16	Near Miss	Dropped cable winch from HDPE pipe
10/04/16	Near Miss	Operative taken to hospital suspected heart attack.
11/04/16	Near Miss	JCB Telehandler rolls down a slope, impacting onto the south abutment wall
13/04/16	Near Miss	Dropped object
15/04/16	Incident	Doka beam slid off and hit operatives knee
16/04/16	Near Miss	Dropped object
19/04/16	Near Miss	Pallet failed while being lifted
19/04/16	Near Miss	Dropped strand
20/04/16	Incident	Whilst cutting wood at saw bench his hand slipped causing his arm to move
21/04/16	Incident	Whilst cutting sheeting the knife slipped cutting leg.
24/04/16	Near Miss	Damage to insitu staypipes due to hotworks
25/04/16	Incident	Operator tore calf muscle climbing tower crane
26/04/16	Incident	In pulling the lifting chain towards him the IP struck his own shin.
28/04/16	Incident	Joiner tripped on protruding starter bar (rebar) falling forward onto hands
28/04/16		FATALITY
03/05/16	Incident	IP lost footing whilst lifting beam & went over on ankle
04/05/16	Near Miss	Dropped object into caisson
05/05/16	Near Miss	Trapped cherry picker in steelwork
06/05/16	Near Miss	Dropped strand
10/05/16	Incident	Slipped on oiled shutter
10/05/16	Near Miss	Excavator struck metal duct 50mm below surface with Fibre Optic
10/05/16	Incident	Inspectors struck by burning spark
12/05/16	Near Miss	Dropped strand
14/05/16	Incident	IP rolled his ankle (left) on Barge
17/05/16	Incident	Welder struck own thumb with hammer
17/05/16	Incident	Welder missed his step on ladder resulting in a cut and graze to right shin
18/05/16	Incident	Pushed cable to side but smaller cable sprung back - minor cut to head.
19/05/16	Near Miss	1.5t chain pull dropped down 'chimney' on South Tower
19/05/16	Incident	Scaffold tube hit & cut finger
19/05/16	Incident	Operative grazed right shin stepping over kerb haunching
20/05/16	Incident	Hand trapped between wrench tool and steelwork
20/05/16	Near Miss	Delivery vehicle manouvering in close proximity to an operative
21/05/16	Near Miss	Container fell from falsework onto barge
26/05/16	Incident	Operative slipped off new tar going over on his ankle on site
27/05/16	Near Miss	ANPR cable duct damaged, sling was on duct
30/05/16	Incident	Lowering mast the handle clip broke resulting in the the handle spinning
01/06/16	Incident	Re bar being moved struck the IP's finger
01/06/16	Near Miss	Damage to staypipe weld
03/06/16	Incident	Suspected stroke
05/06/16	Near Miss	Lifting operations
05/06/16	Incident	IP appears to have slipped when standing in front of the shower area causing
05/06/16	Incident	Carrying equipment the IP slipped as he stepped over metal step
07/06/16	Near Miss	Dropped strand
07/06/16	Near Miss	Snapped winch wire
08/06/16	Incident	Rotating cable drum to inspect cable. Cable sprung catching the operative on
08/06/16	Near Miss	run over anchor wire
09/06/16	Incident	Placing chairs he stepped back tripping over cast in stines
09/06/16	Incident	Reference strand under tension sprung back hitting IP on the brow.
13/06/16	Incident	Manually handling a box of paperwork IP was unable to see foot position and
14/06/16	Incident	IP altered his position whilst altering section of steel and was struck during the

17/06/16	Incident	Pulled muscle in shoulder. No partiucular work related activity.
19/06/16	Near Miss	A grinding disc detached from the angle grinder being used for cutting strands
20/06/16	Incident	Right arm and back went into spasm. No particular work related activity.
20/06/16	Near Miss	Piece of timber fell from deck level & struck subcontractors vehicle
21/06/16	Near Miss	Road Planer damaged 20 pair copper cable
21/06/16	Incident	Wind blew helmet off. As IP bent to pick it up he struck head on overhead
22/06/16	Near Miss	Telehandler slipped down the emabankment at Hope Street, no damage
22/06/16	Near Miss	Tipper reversed into the telehandler forks
25/06/16	Incident	IP was operating a grinder, he placed the grinder down with the disc still
27/06/16	Incident	Surveyor accessing through west box of AVS. Proceeded past the prepared
27/06/16	Incident	The IP went up a step on the door to Pier S2 (150mm step) and as he was
29/06/16	Incident	IP twisted back as he was installing splice plates on the CS14/15 joint.
29/06/16	Incident	During the inspection the operative stood on the grating and the piece of
29/06/16	Incident	When closing the water-tight door of the forward store the clasp slipped,
29/06/16	Incident	Joiner hurt his leg when he fell over and the shutter landed on his leg
30/06/16	Incident	Operative in pain evacuated to Hawes pair and ambulance. Non work related -
30/06/16	Incident	Whilst feeding in steel, the IP's laces on his boots caught in the bar causing
30/06/16	Near Miss	Compressor fell off truck onto road
30/06/16	Incident	Engineer tripped on verge
30/06/16	Near Miss	Cable pulling winch wire failed
04/07/16	Incident	IP was struck by a strand as he adjusted wire and released energy
04/07/16	Near Miss	IP stepped off ladder onto segment ribbing causing a fall onto the ribbing.
05/07/16	Incident	Whilst awaiting instruction on how to use the cutter the operative put hand
05/07/16	Incident	Injury to left hand after Slip Trip Fall.
11/07/16	Incident	IP stepped through an open hatch hurting his left knee and ribs on right side
14/07/16	Incident	Washers from a stressing bar slipped off whilst it was being handled,
14/07/16	Incident	Fell approx 1m off untied ladder, jarred right leg causing bruising
14/07/16	Near Miss	Walkway grating loose on CN13/14 west-side
15/07/16	Incident	Removing face mask to put on safety glasses, a piece of metal went into his
15/07/16	Near Miss	Dropped Strand
18/07/16	Incident	Whilst walking on falsework holding a bolt, the IP tripped then fell onto the
19/07/16	Near Miss	Anchors were incorrectly installed to allow the movement of the formwork
19/07/16	Incident	IP hand was trapped between timber and a foot plate during alignment of the
20/07/16	Incident	The operative was walking to his work area when he slipped in the tub section
20/07/16	Near Miss	Lightning strike of north tower, tower crane
21/07/16	Incident	Hook sprung back hitting the IP's face.
22/07/16	Near Miss	Utility Strike - gas pipe damaged
22/07/16	Incident	Minor hand injury - no details
23/07/16	Incident	Metal shaving in his eye
24/07/16	Near Miss	Damage to suction pump
25/07/16	Near Miss	Hydraulic breaker slid off plant trailer on live road Admiralty
26/07/16	Incident	Having knelt down the operator stood up and couldn't straighten his knee -
27/07/16	Incident	IP states lost balance, struck head on site canteen door.
27/07/16	Near Miss	Utility strike - watermain.
29/07/16	Incident	Caught arm on protruding wire at carwash door.
30/07/16	Near Miss	Alignment device slipped off forklift and damaged electrical distribution box
01/08/16	Near Miss	Collision of strand dispenser and HDPE pipe
05/08/16	Incident	IP struck pinky finger, re bar, with mash hammer
05/08/16	Incident	Utility struck with road planer
06/08/16	Incident	IP touched top of newly welded top flange with arm causing a burn.
09/08/16	Incident	Tripped, fell forward with hand out and straved his finger
11/08/16	Incident	Tying wire punctured finger
14/08/16	Incident	IP caught hand in the cradle door whilst closing it.
15/08/16	Near Miss	Dropped strand
15/08/16	Near Miss	Utility strike - water
16/08/16	Incident	IP cut leg with cutting disc on grinder
17/08/16	Incident	Stepping off a ladder the IP stood on a cable twisting his ankle.
17/08/16	Incident	Manual handling a rubber hose. Wire from the hose punctured hand
18/08/16	Near Miss	Utility strike - cable

18/08/16	Incident	Whilst cutting screwed rod followed through and cut back of finger
19/08/16	Incident	Slipped on one of the troughs, putting hand out to break the potential fall -
21/08/16	Incident	Picked up rope which had a shackle within it. Shackle fell Injuring toe
22/08/16	Incident	IP stumbled walking down stairwell
23/08/16	Incident	IP tripped in the cofferdam and landed on a vertical upright injuring his
23/08/16	Incident	IP stumbled walking down stairwell
25/08/16	Near Miss	Failed concrete hose
28/08/16	Incident	Grinder cut to finger due to slackened guard.
29/08/16	Near Miss	Utility strike - electric cable
30/08/16	Near Miss	Dropped strand
30/08/16	Near Miss	Torque wrench head failed
31/08/16	Incident	Cut to left hand using rigid stanley knife
31/08/16	Near Miss	Dropped nut
01/09/16	Incident	Stepped off a ladder at ground height. As he stepped back his foot went off
05/09/16	Near Miss	Dropped strand
05/09/16	Near Miss	Disease : Carpal Tunnel Syndrome 2V stage
06/09/16	Incident	Whilst drilling holes in concrete to the drill jammed. The IP did not release the
06/09/16	Incident	Whilst handling splice plates one of the plates slipped hitting a finger
07/09/16	Incident	Wasp sting to neck
08/09/16	Incident	Operative twinged back whilst moving 3 erected fence panels
08/09/16	Incident	Operative knocked a scab off his Left-knee cap - nurse cleaned and dressed
08/09/16	Incident	Slipped on wet concrete from washout of skip whilst carrying equipment, and
09/09/16	Incident	Whilst cutting beam arrangement the grinder jammed and kicked back -
10/09/16	Incident	At ground level the IP was removing a pin from edge protection to dismantle it
11/09/16	Incident	Person fell off bike transitioning from road to cycle footpath
14/09/16	Incident	Operative had a seizure causing him to be evacuated to shore & assessed in
15/09/16	Incident	Application of force to manually push re bar with his team resulted in tendon
19/09/16	Incident	Tripped whilst walking along pathway where there was no visible trip hazard
19/09/16	Near Miss	Cable cradle blown over
20/09/16	Incident	Whilst walking over scaffolded platform the hand caught on the threads of the
21/09/16	Incident	Struck left knee against steel beam
21/09/16	Near Miss	Dropped strand
21/09/16	Near Miss	Dropped strand
22/09/16	Near Miss	Dropped object - rocking nut
22/09/16	Near Miss	Cable strand dispenser blown over
28/09/16	Near Miss	Dropped object - 2 echo sound barriers were blown off east-desk down onto
04/10/16	Incident	Worker had a dizzy turn not work related - vasovagal episode.
04/10/16	Incident	Operative using a scaffold pole to adjust rebar beam trapped finger
05/10/16	Incident	Whilst breaking up pallets a nail punctured his gloved hand.
06/10/16	Near Miss	Dropped object - grout
06/10/16	Incident	Operative experienced chest pain - not work related
07/10/16	Incident	Marine fitter experienced severe pain , Ambulanced to Kirkcaldy A & E -
07/10/16	Near Miss	Dropped strand from anchorage
11/10/16	Near Miss	Intervention - Exposure to a fall on dismantling scaffolding.
11/10/16	Near Miss	Intervention - no hard scaffold barrier around the dropping area where
11/10/16	Incident	Intervention - Operative undertaking chiseling duties was requested to don a
12/10/16	Near Miss	Alps basket ropes knotted themselves.
10/10/16	Near Miss	Utility strike
13/10/16	Near Miss	Lifting basket damage
09/10/16	Near Miss	Strand Drop
12/10/16	Incident	Injured thumb whilst inserting couple bars into the splice.
18/10/16	Incident	On lifting retaining pin the lifting cleat, the pin was ejected hitting his finger.
18/10/16	Incident	Operative indicated he caught his hand on either a strand end or the deviator
20/10/16	Incident	Hand hit by concrete chute having pulled on the handle to steady herself
24/10/16	Near Miss	Damage to Hebetec strand recoiler following removal from ST Erection
18/10/16	Near Miss	Trainers observed to be being worn on site
04/10/16	Near Miss	Small steel member hanging on a bolt at height on jumpform.
25/10/16	Near Miss	Forklift driver unloaded coil on electrical cables feeding distribution board
26/10/16	Incident	HDPE pipe joining operation resulted in A frame toppling and making contact

26/10/16	Near Miss	Dropped steel plate object
29/10/16	Near Miss	An interrupted cable coil got stuck in the dispenser during unspooling
01/11/16	Near Miss	Welding habitat shifted exposing 300mm gap under tarpaulin.
01/11/16	Incident	Handyman tripped over his own warning sign grazing his thumb during
04/11/16	Incident	Operative went over on ankle whilst walking on grating
07/11/16	Near Miss	Dropped object landed on the foredeck of the Linzi S.
04/11/16	Near Miss	Dropped Shim within the tower
06/11/16	Near Miss	Dropped strand
08/11/16	Near Miss	Spillage of concrete from AVS deck pour onto S3 / Lesley-M vessel
07/11/16	Near Miss	During excavation work asbestos materials found.
03/11/16	Incident	Painter felt dizzy. Attended hospital - ear infection.
10/11/16	Incident	Supervisor tripped and fell
15/11/16	Incident	A1 operative finger injury. Details to be confirmed.
15/11/16	Near Miss	Dropped strand.
16/11/16	Incident	Lifting heat blankets up from storage on the gantry to the deck sustained
16/11/16	Incident	Whilst walking the storman was looking at the lifejacket number and tripped
16/11/16	Near Miss	Beattie demolition struck ITS Fibre utility cable
17/11/16	Near Miss	Collision damage observed on crane
17/11/16	Incident	Retrospective Input While turning the vehicle using a wide berth to avoid a
21/11/16	Near Miss	Minor injury both elbows, slight blow to the head
22/11/16	Near Miss	Fixed Forth Ports lighting tower blown over in high winds.
22/11/16	Incident	Scaffolder turn his ankle
22/11/16	Near Miss	Excavation inspection at temporary emergency bus link north resulted in
25/11/16	Incident	Operative slipped and fell over cable on icy ground
19/12/16	Incident	IP tripped as he was leaving the welfare on the Central Tower deck, Claiming
19/12/16	Incident	Lighting in the CLS area was "Allegedly" turned off, and IP was in the process
21/12/16	Near Miss	Due to the high winds the Alloy Tower in cofferdam had one of the platform
04/01/17	Incident	VFM operative was guiding the stay pipe over a coil and the stay pipe moved
05/01/17	Near Miss	Bearing housing for Carousel was found to be damaged with crack in plastic
12/01/17	Incident	During operations to dampen oscillation on main stay cables, ratchet strap
12/01/17	Incident	Slip on Ice : Injured Party was walking along the AVS west walkway on his
16/01/17	Near Miss	Temporary lighting on west side of north deck has been removed from its
17/01/17	Incident	Eyelash in Eye Irritation : VFM operative reported a foreign body in his eye,
17/01/17	Incident	Grit in eye. Operative states he was accessing platform SN15 when the wind
17/01/17	Near Miss	Scaffold Baton Smouldering : A shout came across the radio at 6.30am. We
18/01/17	Near Miss	Whilst excavating for road widening works, a small cable was damaged. This
18/01/17	Near Miss	The unoccupied van was parked on the "dead" South Bound carriageway
20/01/17	Incident	Whilst mixing grout with his co-worker the injured party (IP) the co-worker
20/01/17	Incident	Vehicle : Vehicle contact. Whilst a forklift truck operator was travelling from
21/01/17	Near Miss	A beam trolley clamp fell 4 metres from temporary steelwork and narrowly
23/01/17	Incident	IP stepped backwards. Foot went into a gap between the edge of the boards
23/01/17	Near Miss	Strand Drop - On the south side of south tower the strand on stay 123 west
24/01/17	Near Miss	Non injury event - When descending North Tower via the central Alps basket,
24/01/17	Incident	When using road pins to hold a small shutter for a plinth to be cast, the pin hit
25/01/17	Near Miss	Operatives working on pier S1 went for there morning break and climbed up
25/01/17	Incident	Stepped onto an unsecured street lighting cable chamber on Hope Street at
27/01/17	Incident	IP Slipped on frosted sheet of plywood causing suspected muscular injury/
27/01/17	Incident	Operative was putting up containment sheeting on the SS13-14 Gantry.
30/01/17	Near Miss	On HDPE 522 W it was planned to install 2 new strands and to de-stress the
30/01/17	Near Miss	Strand Dropped : VFM set up for SSI on 422 and had issues with the basket
30/01/17	Near Miss	Access ladder removed from man hole at S1 east side, whoever removed it
01/02/17	Near Miss	Dropped object from south side alps middle cradle. This was an Anemometer
01/02/17	Near Miss	A Vehicle, (Hiab Lorry or similar) had reversed over one of the crossover
01/02/17	Near Miss	Cable puller was accessing via the west tub (internal) when he stumbled and
01/02/17	Incident	Injured Party (IP) was walking to his place at the start of his shift and tripped
03/02/17	Near Miss	Poorly set up exclusion zone by VFM for stay pipe works. Personnel walking
06/02/17	Near Miss	Whilst pushing a beam trolley along an overhead runway beam on AVS west
06/02/17	Incident	Operative hurt lower back whilst adjusting a gangway access in the marine
08/02/17	Near Miss	Central Tower VFM team using not only out of Certification/Tested slings and

09/02/17	Near Miss	Vehicle/Vehicle near miss. Whilst driving on the access road, past the
09/02/17	Incident	IP alleged to have caught trailing foot on electricians re routed power cable
10/02/17	Incident	Site staff were alerted after an operative was found seated outside
10/02/17	Near Miss	Whilst removing stockpiled materials at Castland hill for re-use as scour
11/02/17	Incident	Operator has twisted his ankle walking off edge of timber cable covers.
13/02/17	Incident	Finger caught in between LV Sub-mains cable (not live) and cable roller
16/02/17	Incident	IP had a nose bleed for an extended period of time before starting work over
18/02/17	Incident	IPs Knife shut back on his right thumb causing a bit of a cut from tip in a
22/02/17	Incident	Retrospective event - VFM operative tripped over raised section of grating
22/02/17	Incident	IP was blown off his feet and struck a welders tent, catching his right thigh at
22/02/17	Incident	Walking across VRS Kerb and tripped on single bolt left in cast in for VRS
22/02/17	Incident	Operative sustained head injury after falling against a guidepipe on the south
24/02/17	Incident	welder was taken offsite as he had something in his eye. Material was
28/02/17	Near Miss	Dropped Object : Soffit support to the deck manhole infill CN1 West was
02/03/17	Incident	Stood on 6" stone, left ankle gave way and fell over. Did not report until the
03/03/17	Incident	VFM Supervisor, was trying to adjust a strap that was slipping on a piece of
03/03/17	Incident	When carrying out a power seating activity on 520W DS anchor, a hydraulic
06/03/17	Near Miss	When ascending strand no.15 on cable stay 522 East, North Tower. The
08/03/17	Near Miss	Due to high winds two attached habitat encapsulation units for the guide pipe
08/03/17	Incident	CSB operative reached up to start cut sheeting away from encapsulation
09/03/17	Incident	Operative reported to Occupational Health Department with inflammation of
09/03/17	Incident	IP was loading scaffold boards onto a stillage on the south tower south side, a
10/03/17	Near Miss	The lifting operation lifting a 1.5 tonne Gantry rail from the Multi cat deck to
10/03/17	Incident	IP sustained an injury to his left eye whilst using a pencil grinder @ guide pipe
11/03/17	Near Miss	Lighting Tower (R5 20 07) caught fire at AVN. Fire extinguished by nightshift
13/03/17	Near Miss	Machine snagged LV cable. No operatives hurt. Area made safe and PU
13/03/17	Incident	Crossing up stand plinth at CN10, stood on undulating surface (grout residue)
14/03/17	Incident	As I got out my van which I parked at NT on the east side and walked towards
14/03/17	Incident	Non FCBC work related ill-health which is RIDDOR reportable. Events
14/03/17	Near Miss	A section of HDPE stay pipe landed at the side of an SES op, which then
15/03/17	Incident	IP was walking along the decks at AVN and there was a gust of wind that
18/03/17	Near Miss	During removal of guidepipe 115E, the HDPE sleeve slipped down and
20/03/17	Incident	Operative was struck by a windblown object (HDPE cut off) approximately 1.5
20/03/17	Incident	IP was cleaning works area inside ST and went over on right ankle.
21/03/17	Near Miss	A BT Cable was struck with excavator at SB PTL Bus stop.
21/03/17	Incident	During the removal of guide pipe 422 W at the crossover area between South
24/03/17	Near Miss	VFM operative nicked the king wire when trimming the six outer wires with a
25/03/17	Near Miss	Sling damage evident which is holding the HDPE pipe/collar up - see attached
25/03/17	Near Miss	Operative was moving a dispenser from 523 to 524 to get the dispenser in the
26/03/17	Near Miss	Liebherr LTM 1040 was setup at the South Tower road deck to lift 6m tower
27/03/17	Near Miss	Whilst doing weekly checks on the rescue equipment on North Tower the
29/03/17	Near Miss	A CCTV camera in the marine yard was damaged during a lifting operation
29/03/17	Near Miss	Cable casing along parapet rail scraped during compation of surfacing.
30/03/17	Near Miss	Whilst marine ops were working on the Isabella barge on the south side of
01/04/17	Near Miss	Winch cable dropped down tower face as opposed to inside HDPE pipe.
03/04/17	Near Miss	Whilst operating a 3t swivel dumper ,the operator stated that one of the rear
04/04/17	Incident	Cut to Knuckle on right forefinger in metalwork in tubs.
04/04/17	Incident	While walking north past Central tower the IP was hit on the side of his face
05/04/17	Incident	A cleaner tripped over a scaffold board which was protecting a waste pipe
07/04/17	Near Miss	During the initial lifting off with the 500 ton crane lift of the expansion joint at
07/04/17	Near Miss	Barge crane contacted gantry rail on the north side of S1
07/04/17	Near Miss	While erecting a scaffolding in ct internal platform level 19 the scaffolders
10/04/17	Near Miss	Mobile pressure system : marking up of the system, and safety devices
10/04/17	Incident	Scottish Power cable struck when hand digging for pedestrian barrier at
11/04/17	Incident	At CS12, EDT employee grazed his leg. This was caused by rubbing against
11/04/17	Near Miss	Marine control were notified that a sheet of ply was blown off the south tower
11/04/17	Near Miss	personnel had been requested by their FCBC Supervisor due to high winds to
12/04/17	Incident	Marine fitter was using a grinder with a wire brush attachment and the grinder

19/04/17	Incident	IP was housekeeping on NT road deck as part of a 4 man team when he felt
19/04/17	Incident	A joiner cut 2 fingers (potential stitches) on the sharp edge of a piece of pour-
19/04/17	Near Miss	Electrician went to sort out generator power & found that the generator was
21/04/17	Near Miss	Expansion sleeve 101E Lifting Sling failed causing the expansion sleeve to
22/04/17	Near Miss	Fire -There was a fire this morning 22/04/17 @0900 on ST tower basket
28/04/17	Incident	Dragging stillage by hand behind himself. Lifted his head and his helmet and
03/05/17	Near Miss	Rigmar team working on crane tie removal had their ropes and rigging
04/05/17	Incident	Finger hit by a hammer. IP was working on windshield installation and he
05/05/17	Incident	On Friday May 5th at approximately 14:30, the General Foreman was in the
05/05/17	Incident	Operator was using forklift today to lift bags with the waste, Friday 05/05/17 –
05/05/17	Near Miss	During a lifting operation to remove a full unit from the east side of the west
10/05/17	Incident	While descending a ladder at the crane base of ST the electrician tried to step
13/05/17	Incident	AB2000 Cat D3 Dozer had small fire within the engine/battery compartment.
13/05/17	Near Miss	Wemo-Tec MBI160 gantry hit a windshield post while traveling along the road
16/05/17	Near Miss	Whilst removing an existing signface and replacing with a new one. A panel of
16/05/17	Near Miss	Strand being destressed on cable stay slipped during operation causing DS
19/05/17	Incident	Whilst exposing rebar a bit sprung and hit back of right hand. Cleaned and
22/05/17	Near Miss	Person tripped over a board that had been placed over the expansion joint on
22/05/17	Near Miss	During the loading of steelwork beams onto a wagon on the North Wall using
25/05/17	Near Miss	When a Hi-ab operator was lifting a Tonne bag full of lifting gear the bottom of
30/05/17	Near Miss	Working within the BP Wayleave in the absence of BP Supervision
31/05/17	Near Miss	A paver/Barbour Green vehicle had travelled its way from the abutment area
31/05/17	Near Miss	Dumper rolled off handbrake striking and damaging excavator. No personal
01/06/17	Near Miss	Lower Alimak hoist at CT power cable failed due to mono flex sheeting from
02/06/17	Incident	IP was on his break when he cut the index finger on his left hand. Notified the
02/06/17	Incident	VFM was on level 603 inside the tower and were lowering down a pump to
06/06/17	Near Miss	Person fell over on the CN16 Central access walkway whilst walking through
09/06/17	Near Miss	Observed operatives working at an unprotected open dropping edge (AVS
12/06/17	Incident	Person states that at approximately 08:30 am on Monday 12th June he was
12/06/17	Incident	Painter having finished his works, was descending from the painters gantry
13/06/17	Incident	Skipper on Margarethe Fighter took unwell and was evacuated to hospital
15/06/17	Incident	IP cut index finger tip with blade of a grinder during copper tape cutting at
15/06/17	Incident	IP got FB in eye from Pencil grinding on brackets in tower
17/06/17	Incident	Individual injured ankle whilst stepping onto Youngman board.
20/06/17	Incident	While lowering a section of Alimak mast on ST using the marine crane the
21/06/17	Near Miss	Investigation Dropped Object : ~1.5m length of cut strand wire (1kg)
22/06/17	Near Miss	Hand scabblers rubber bladder popped / ruptured
28/06/17	Incident	At approximately 1:15pm on the 28th June a damaged 415v cable was
30/06/17	Incident	Operative strained muscle lifting sand bags
30/06/17	Incident	Whilst stepping out the stationary telehandler parked on the level road-deck
03/07/17	Near Miss	Intervention Conversation - Operative was observed to have been working at
03/07/17	Near Miss	While lowering removed central tower crane brackets wind affected load and
04/07/17	Incident	While using a low profile hydraulic torque Wrench on Guide pipe 122 west
06/07/17	Near Miss	Subcontractor had left site whilst their excavation at the public roadside was
07/07/17	Incident	IP Stepped off bus to ground and felt pain in knee.
08/07/17	Near Miss	400 KVA genny caught fire after running for approx 10 minutes
10/07/17	Near Miss	Scaffold fitting dropped from above deck into West side of caisson at ST. The
11/07/17	Near Miss	Non FCBC RIDDOR Disease - HAVS - Occupational Health Works confirmed
12/07/17	Incident	Injured Party wiped the seat of the transit van and cut his finger on some
12/07/17	Incident	When coming out of the central tower internal climbing down the ladder from
13/07/17	Incident	IP was working internal below deck at South Tower installing lightning
19/07/17	Incident	IP was complaining of chest pains and sore arms along with shortness of
22/07/17	Near Miss	Automatic Kerb Lifter Near Miss: the hook that carries the suction trunk and
25/07/17	Incident	Whilst uncoiling a 60 kg copper strip for the installation of the lightning
26/07/17	Near Miss	Vehicle was speeding on the east carriageway heading north. As the minibus

28/07/17	Near Miss	White Hi top Transit / Iveco ,partial reg XXXX , Driving northbound on east
30/07/17	Incident	Whilst setting up his access ropes on the top of NT the IP thinks his trouser
01/08/17	Incident	IP was climbing ladders in the stay boxes and ducking under the scaffold
04/08/17	Near Miss	Excavating for water main tie-in, excavator dug through LV cable.
04/08/17	Near Miss	Unsafe act - No handrails fitted to mobile platform with an operative working
10/08/17	Incident	Foreign body in eye whilst sweeping up. Located at SN20 on the west side
11/08/17	Near Miss	VFM were carrying out power-seating works in North Tower, anchor box 518.
11/08/17	Incident	Investigation Initiated : VFM Operative undertaking power seating activities
14/08/17	Incident	The IP was traversing up the internal access of NT from road-deck level to
15/08/17	Near Miss	DB80 Delta Bloc pre cast concrete unit slipped out of the product grab .
15/08/17	Near Miss	Whilst carrying out inspection of the windshield lighting a section of windshield
16/08/17	Incident	IP was accessing the AVS West inner deck when he tripped over a piece of
18/08/17	Near Miss	Missing handrails discovered on below deck Alimak platform. Scaffolds
21/08/17	Near Miss	While removing a scaffold platform by crane the load clipped a newly installed
23/08/17	Incident	As the IP ascended the stairwell from the north abutment onto the road-deck
24/08/17	Incident	Scaffolder reaching up to tighten a nut on a scaffold tube, with a spanner,
24/08/17	Incident	EDT employee stumbled getting off the car park shuttle bus. She went over
25/08/17	Near Miss	Within the Central Tower wind barrier location a cherry picker was observed
28/08/17	Near Miss	Lighting standard damaged as a result of mobile plant impact.
29/08/17	Near Miss	A chain block was being used by others on the shuttle rail, about 100m or so
30/08/17	Incident	IP was working on the southbound carriageway at bottom of the merge with
