Dear Ms Robison,

Thank you kindly for taking the time, out of your busy schedule to meet me, at the Scottish National Party Conference. I very much enjoyed the opportunity to exchange mutual ideas and views in areas of common ministerial responsibilities, including, our preliminary discussions to examine the scope for greater cooperation regarding Health and Care between Scotland and Gibraltar. It was a privilege.

I would appreciate the opportunity for further meetings to discuss and explore areas of common interest with a view of building a close relationship with NHS Scotland and the Gibraltar Health Authority. I am hopeful we will be able to resolve difficult challenges affecting our respective areas brought about by Brexit.

I would be honoured if you would consider an invitation to visit Gibraltar, as my guest, where we will have the opportunity to continue to discuss matters related to Health and Care and where I will be able to show you the Hospital and Health Care Facilities.

I greatly appreciate your consideration of this request and look forward to hosting you in Gibraltar, as and when you wish to do so.

With my best regards,

Neil F. Costa
Minister for Health, Care and Justice
