

## Regional Improvement Collaboratives Steering Group

### Recap on Agreements & Actions from 3<sup>rd</sup> August 2017

- **Sharing updates within our organisations** – it was agreed that members would update their respective organisations and elected representatives on progress, but that this should not pre-empt the conclusions and recommendations that will be presented in the Group's report.
- **Teacher engagement** – it was noted that full and formal consultation with teachers was not practicable within the timeline to 8th September. However, it was agreed that:
  - Wider opportunities for engagement with teachers should be explored in the first phase, for example through existing collaboratives and networks;
  - Recommendations for focussed consultation with teachers and other key stakeholders should be included in the Group's report.
- **Areas where no consensus can be reached** – it was agreed that issues on which there is a difference of perspective should be explored in an open way and reflected in the Group's report.
- **A number of papers were commissioned for discussion at future meetings:**
  - **Principles** – Lisa to co-ordinate (for the meeting on 8/8/17)
  - **Functions and Leadership** – Jane / Graeme and ADES to lead (for the following meeting)
  - **Accountability** – Jim / Clare / Karen and Lauren to lead for the meeting after Functions).
- It was also agreed that the above leads should let Lisa know what questions or inputs it would be useful to have from the existing collaboratives/ regional groupings. Lisa will collate those questions for discussion at the next meeting.

The following **meeting dates** have been set:

- Thursday 24<sup>th</sup> August, 1030 to 1230 in the Lighthouse, Glasgow (immediately before an SG/ SOLACE event).
